

Craft-Stick Bundles

Let's count how many craft sticks I have.

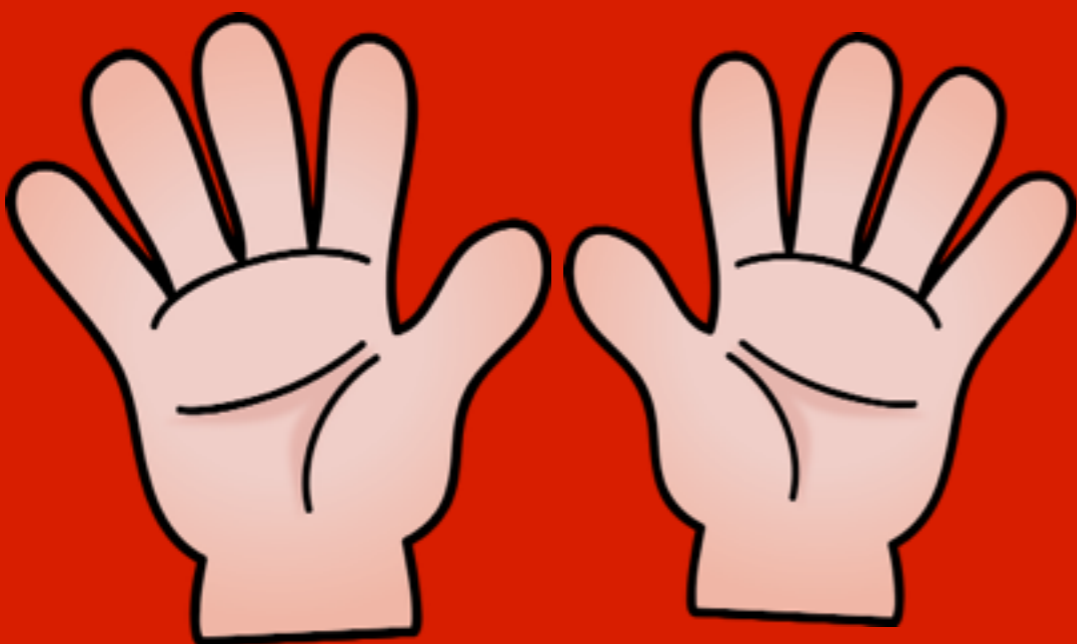

15

**Let's bundle them so I have ten
and some more!**

15 is 10 and 5 more!
Let's show 15 on our
hands. I need a partner!

10

5

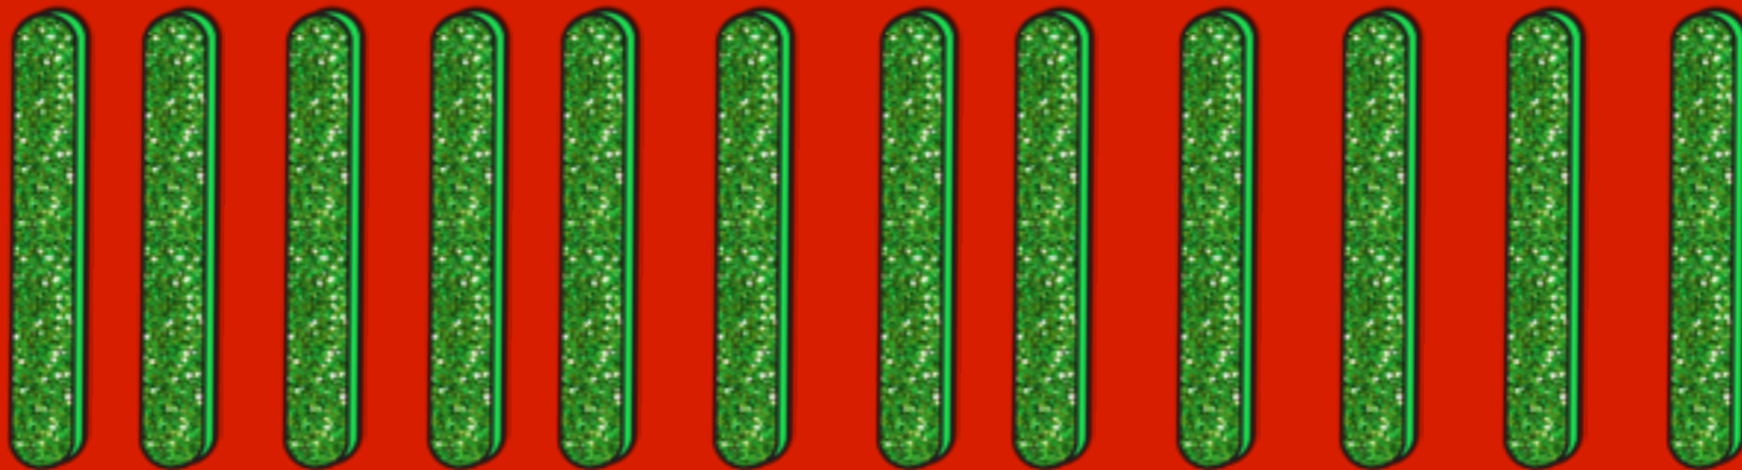

Let's show 15 on a double ten frame!

$$\underline{\hspace{2cm}} = \underline{\hspace{2cm}} + \underline{\hspace{2cm}}$$

**Let's try making craft-stick
bundles with other teen numbers!**

**Let's count how many craft
sticks I have now.**

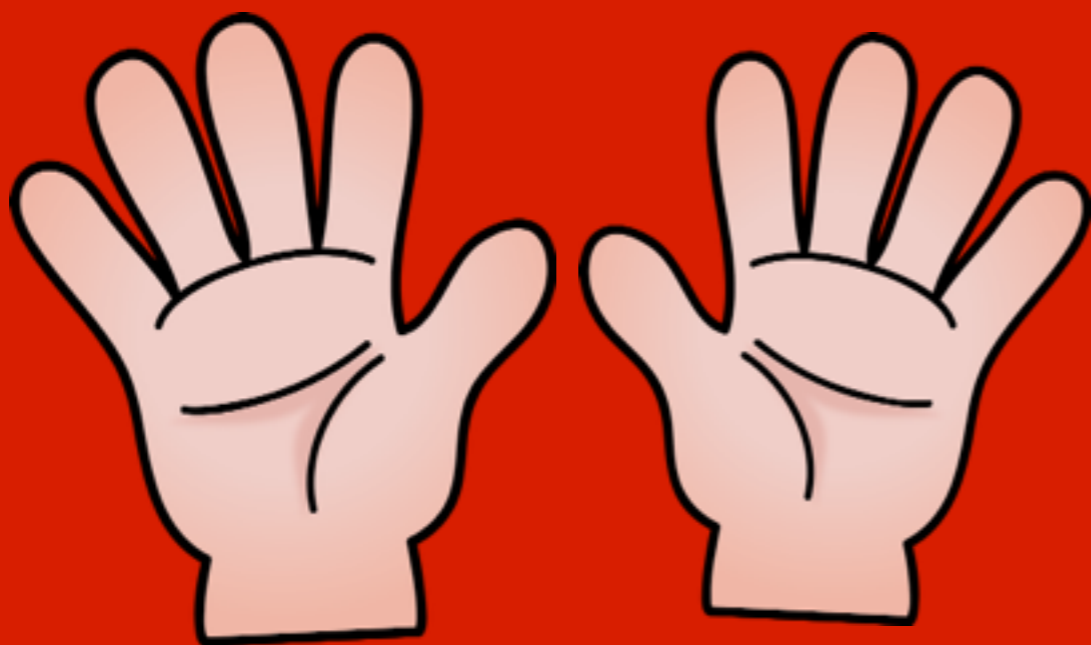

12

**Let's bundle them so I have ten
and some more!**

12 is 10 and 2 more!
Let's show 12 on our
hands. I need a partner!

10

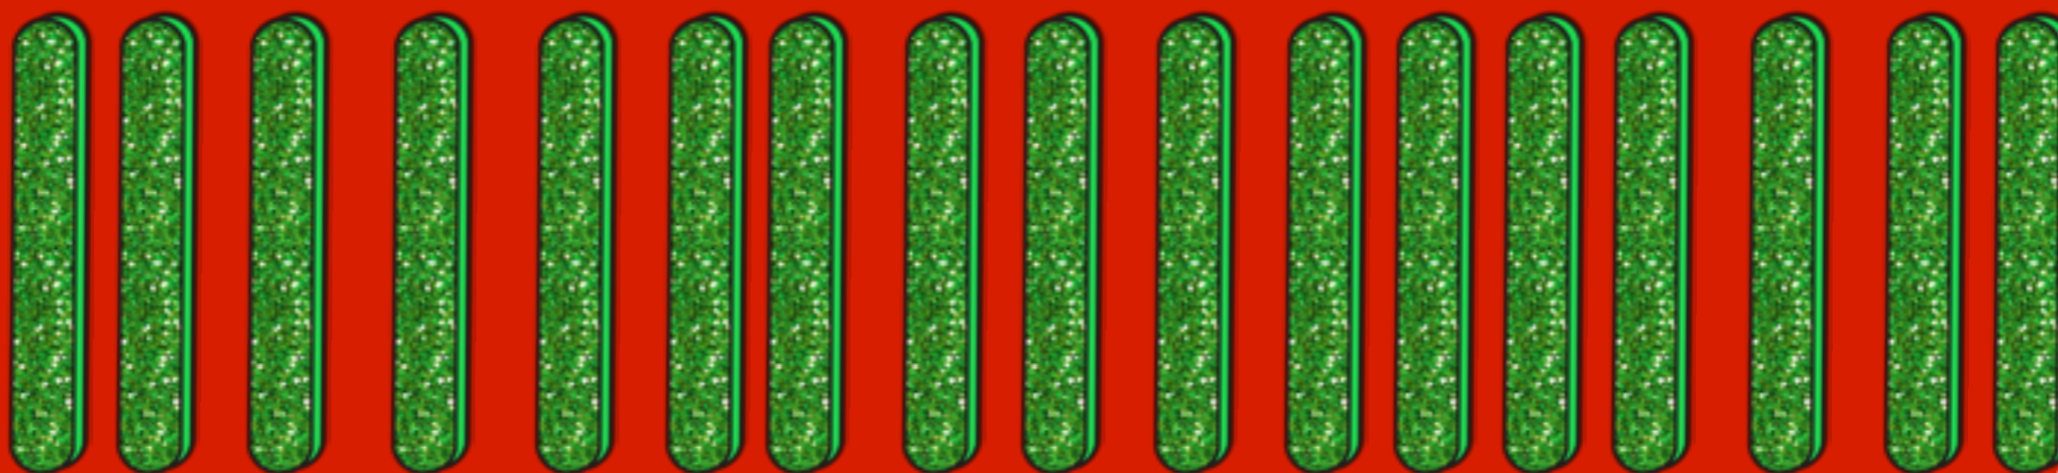

2

Let's show 12 on a double ten frame!

$$\underline{\hspace{2cm}} = \underline{\hspace{2cm}} + \underline{\hspace{2cm}}$$

Let's count how many craft sticks I have now.

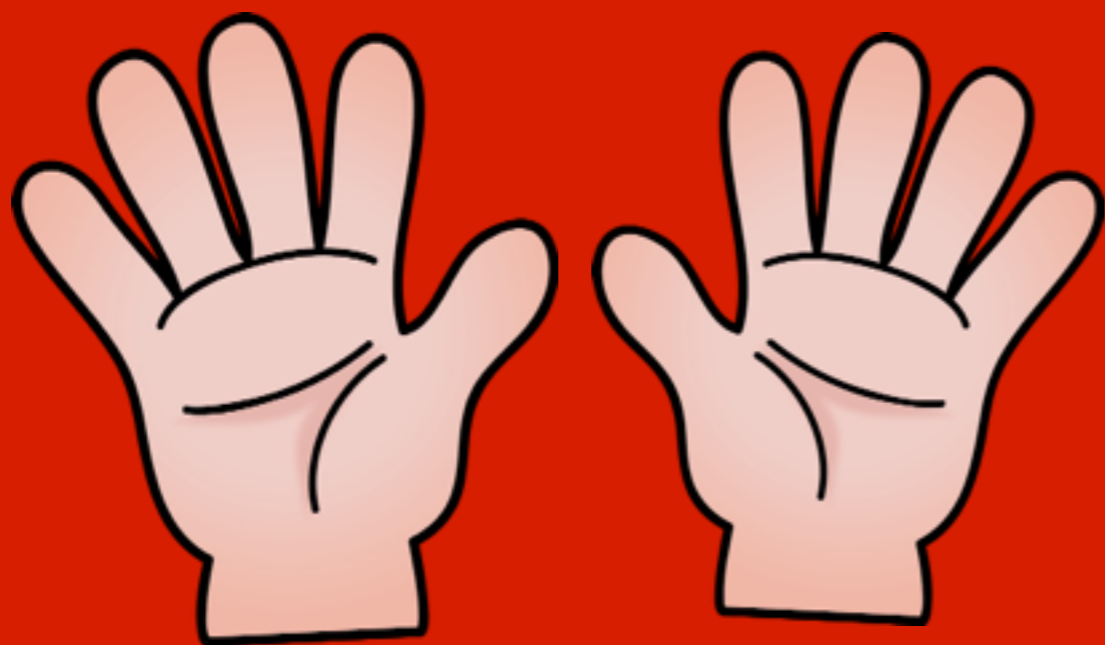

17

**Let's bundle them so I have ten
and some more!**

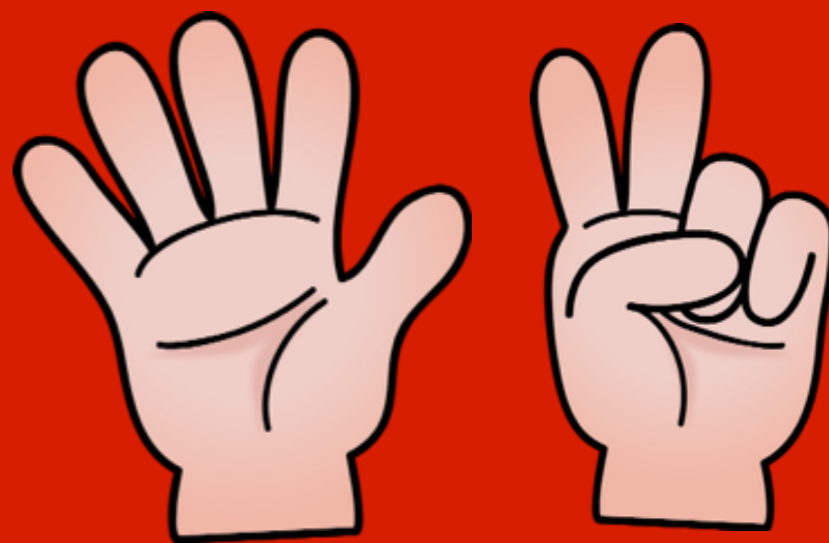

17 is 10 and 7 more!
Let's show 17 on our
hands. I need a partner!

10

7

Let's show 17 on a double ten frame!

$$\underline{\hspace{2cm}} = \underline{\hspace{2cm}} + \underline{\hspace{2cm}}$$
