

Interrupted Counting

We will practice counting on by 1s
from many different numbers.

**How many children
are in our class?**

Let's count on from

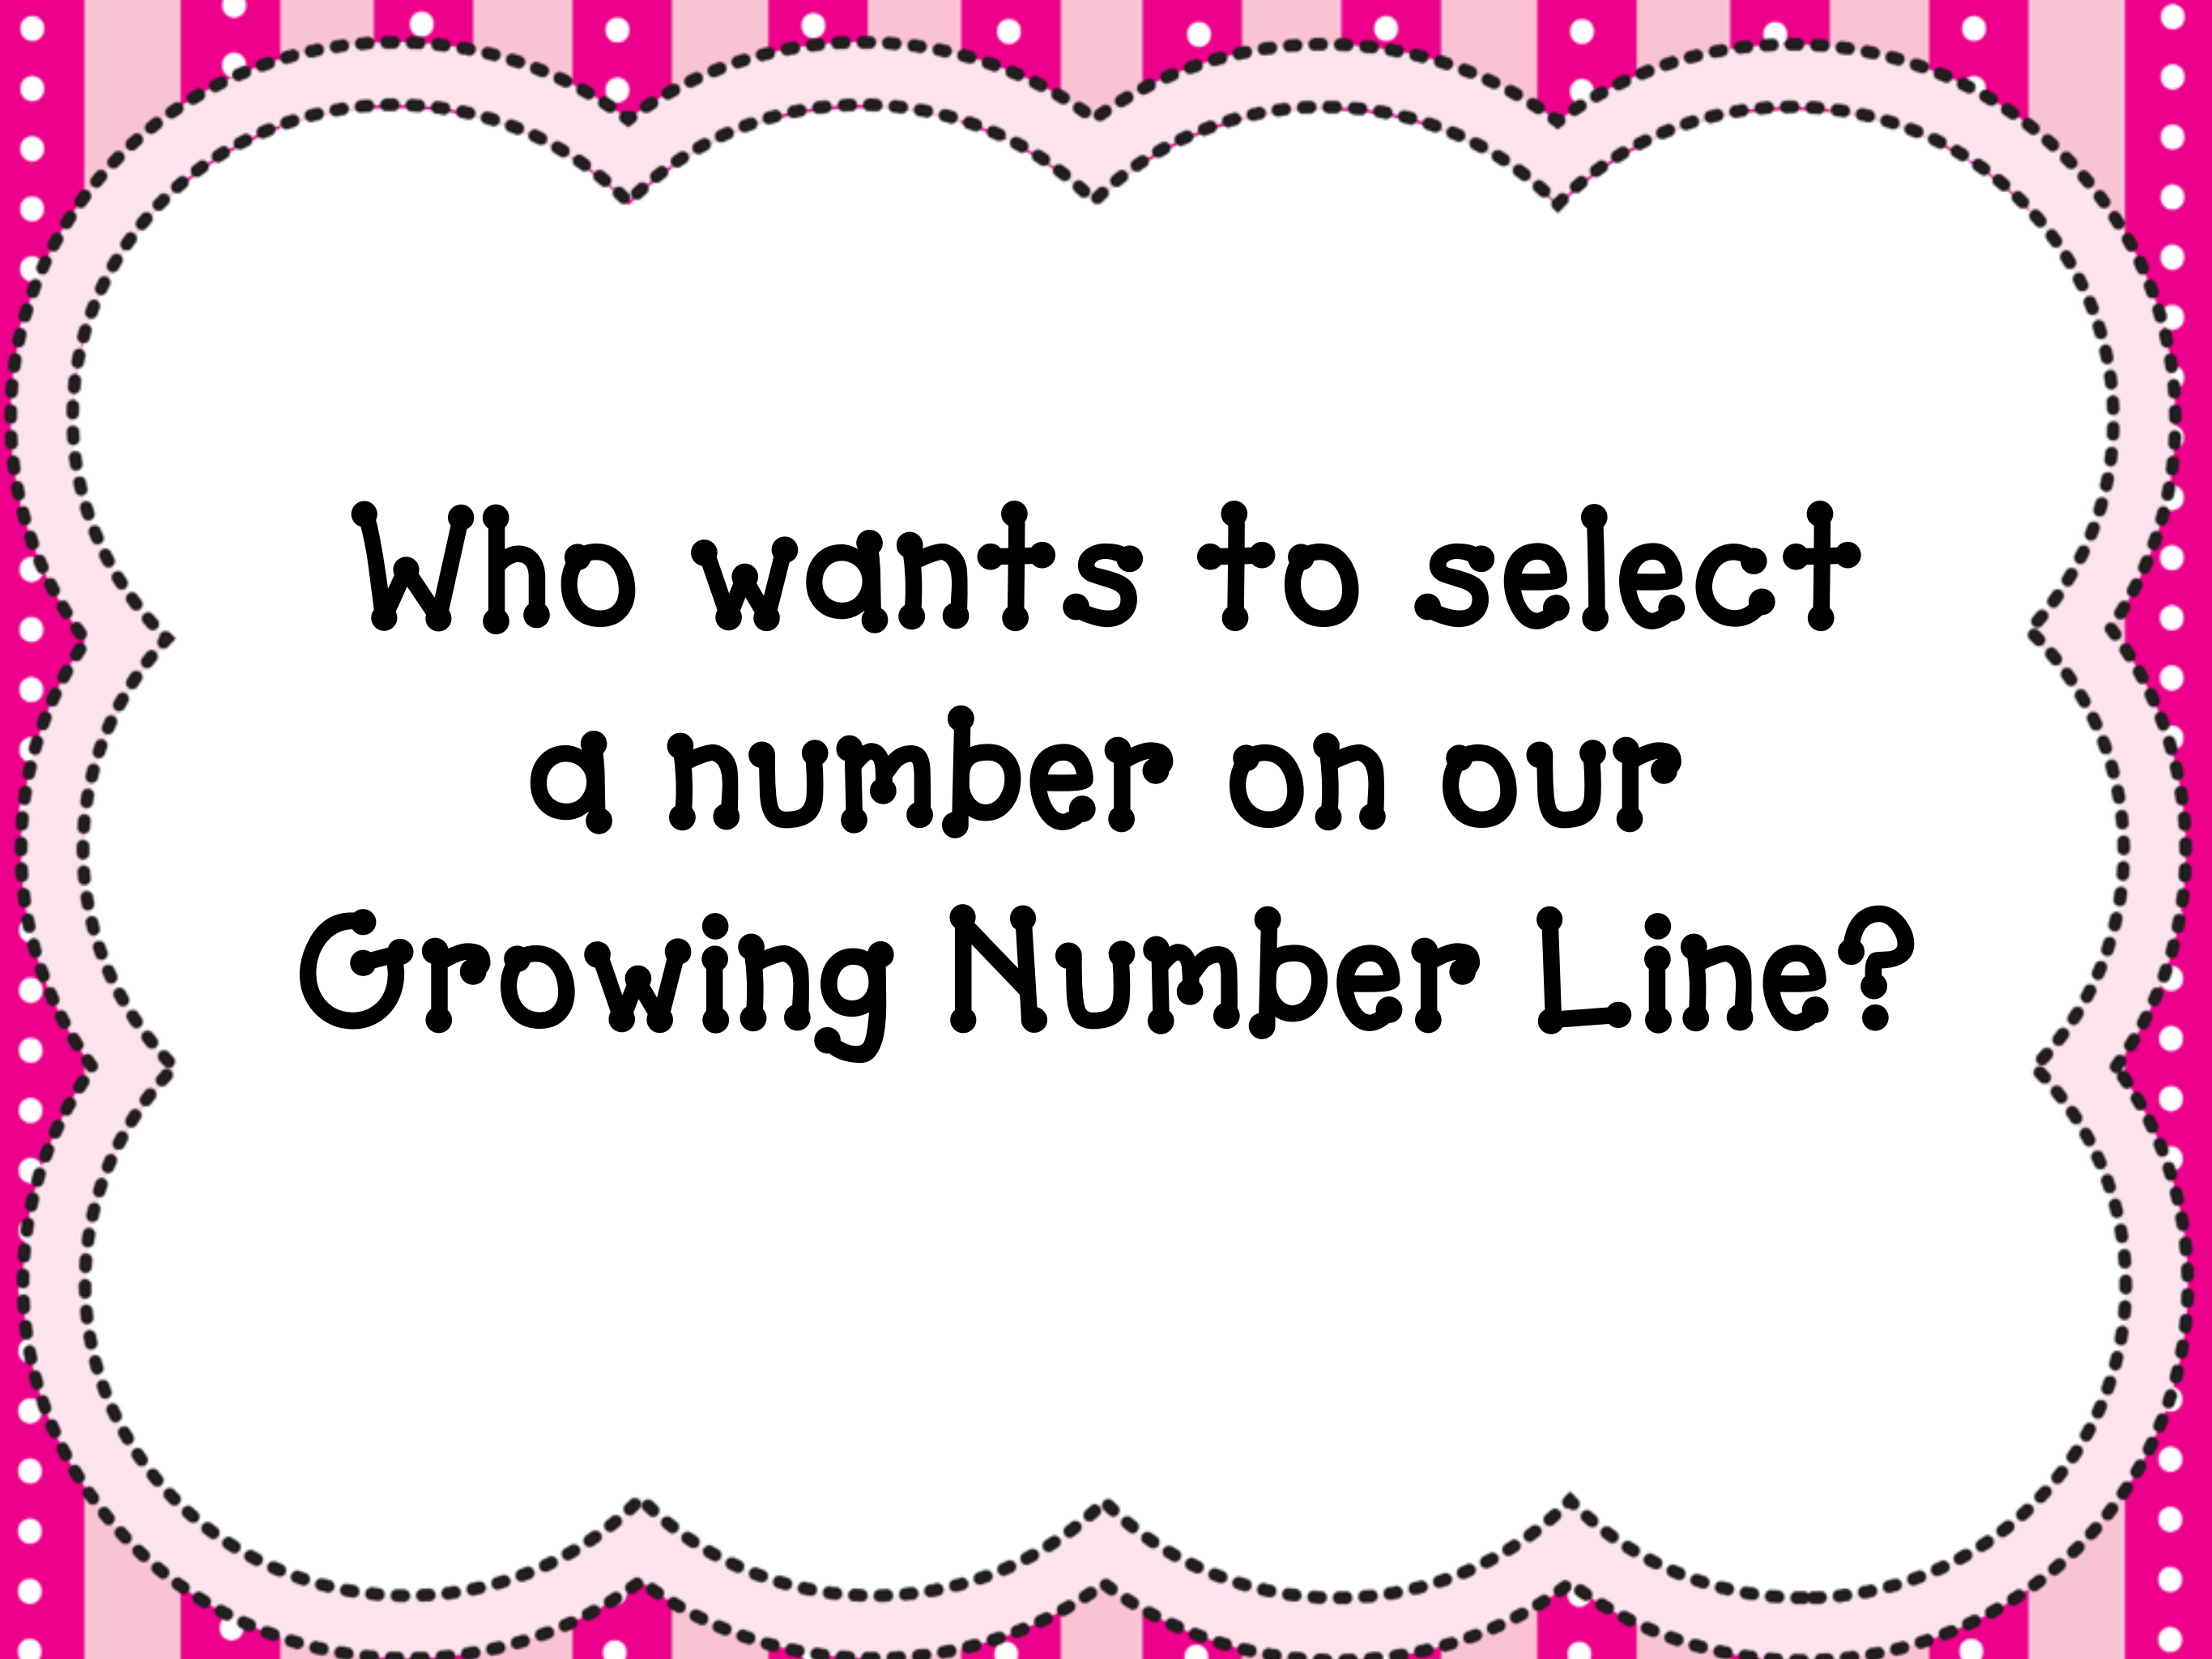

23

What is today's date?

Let's count on from

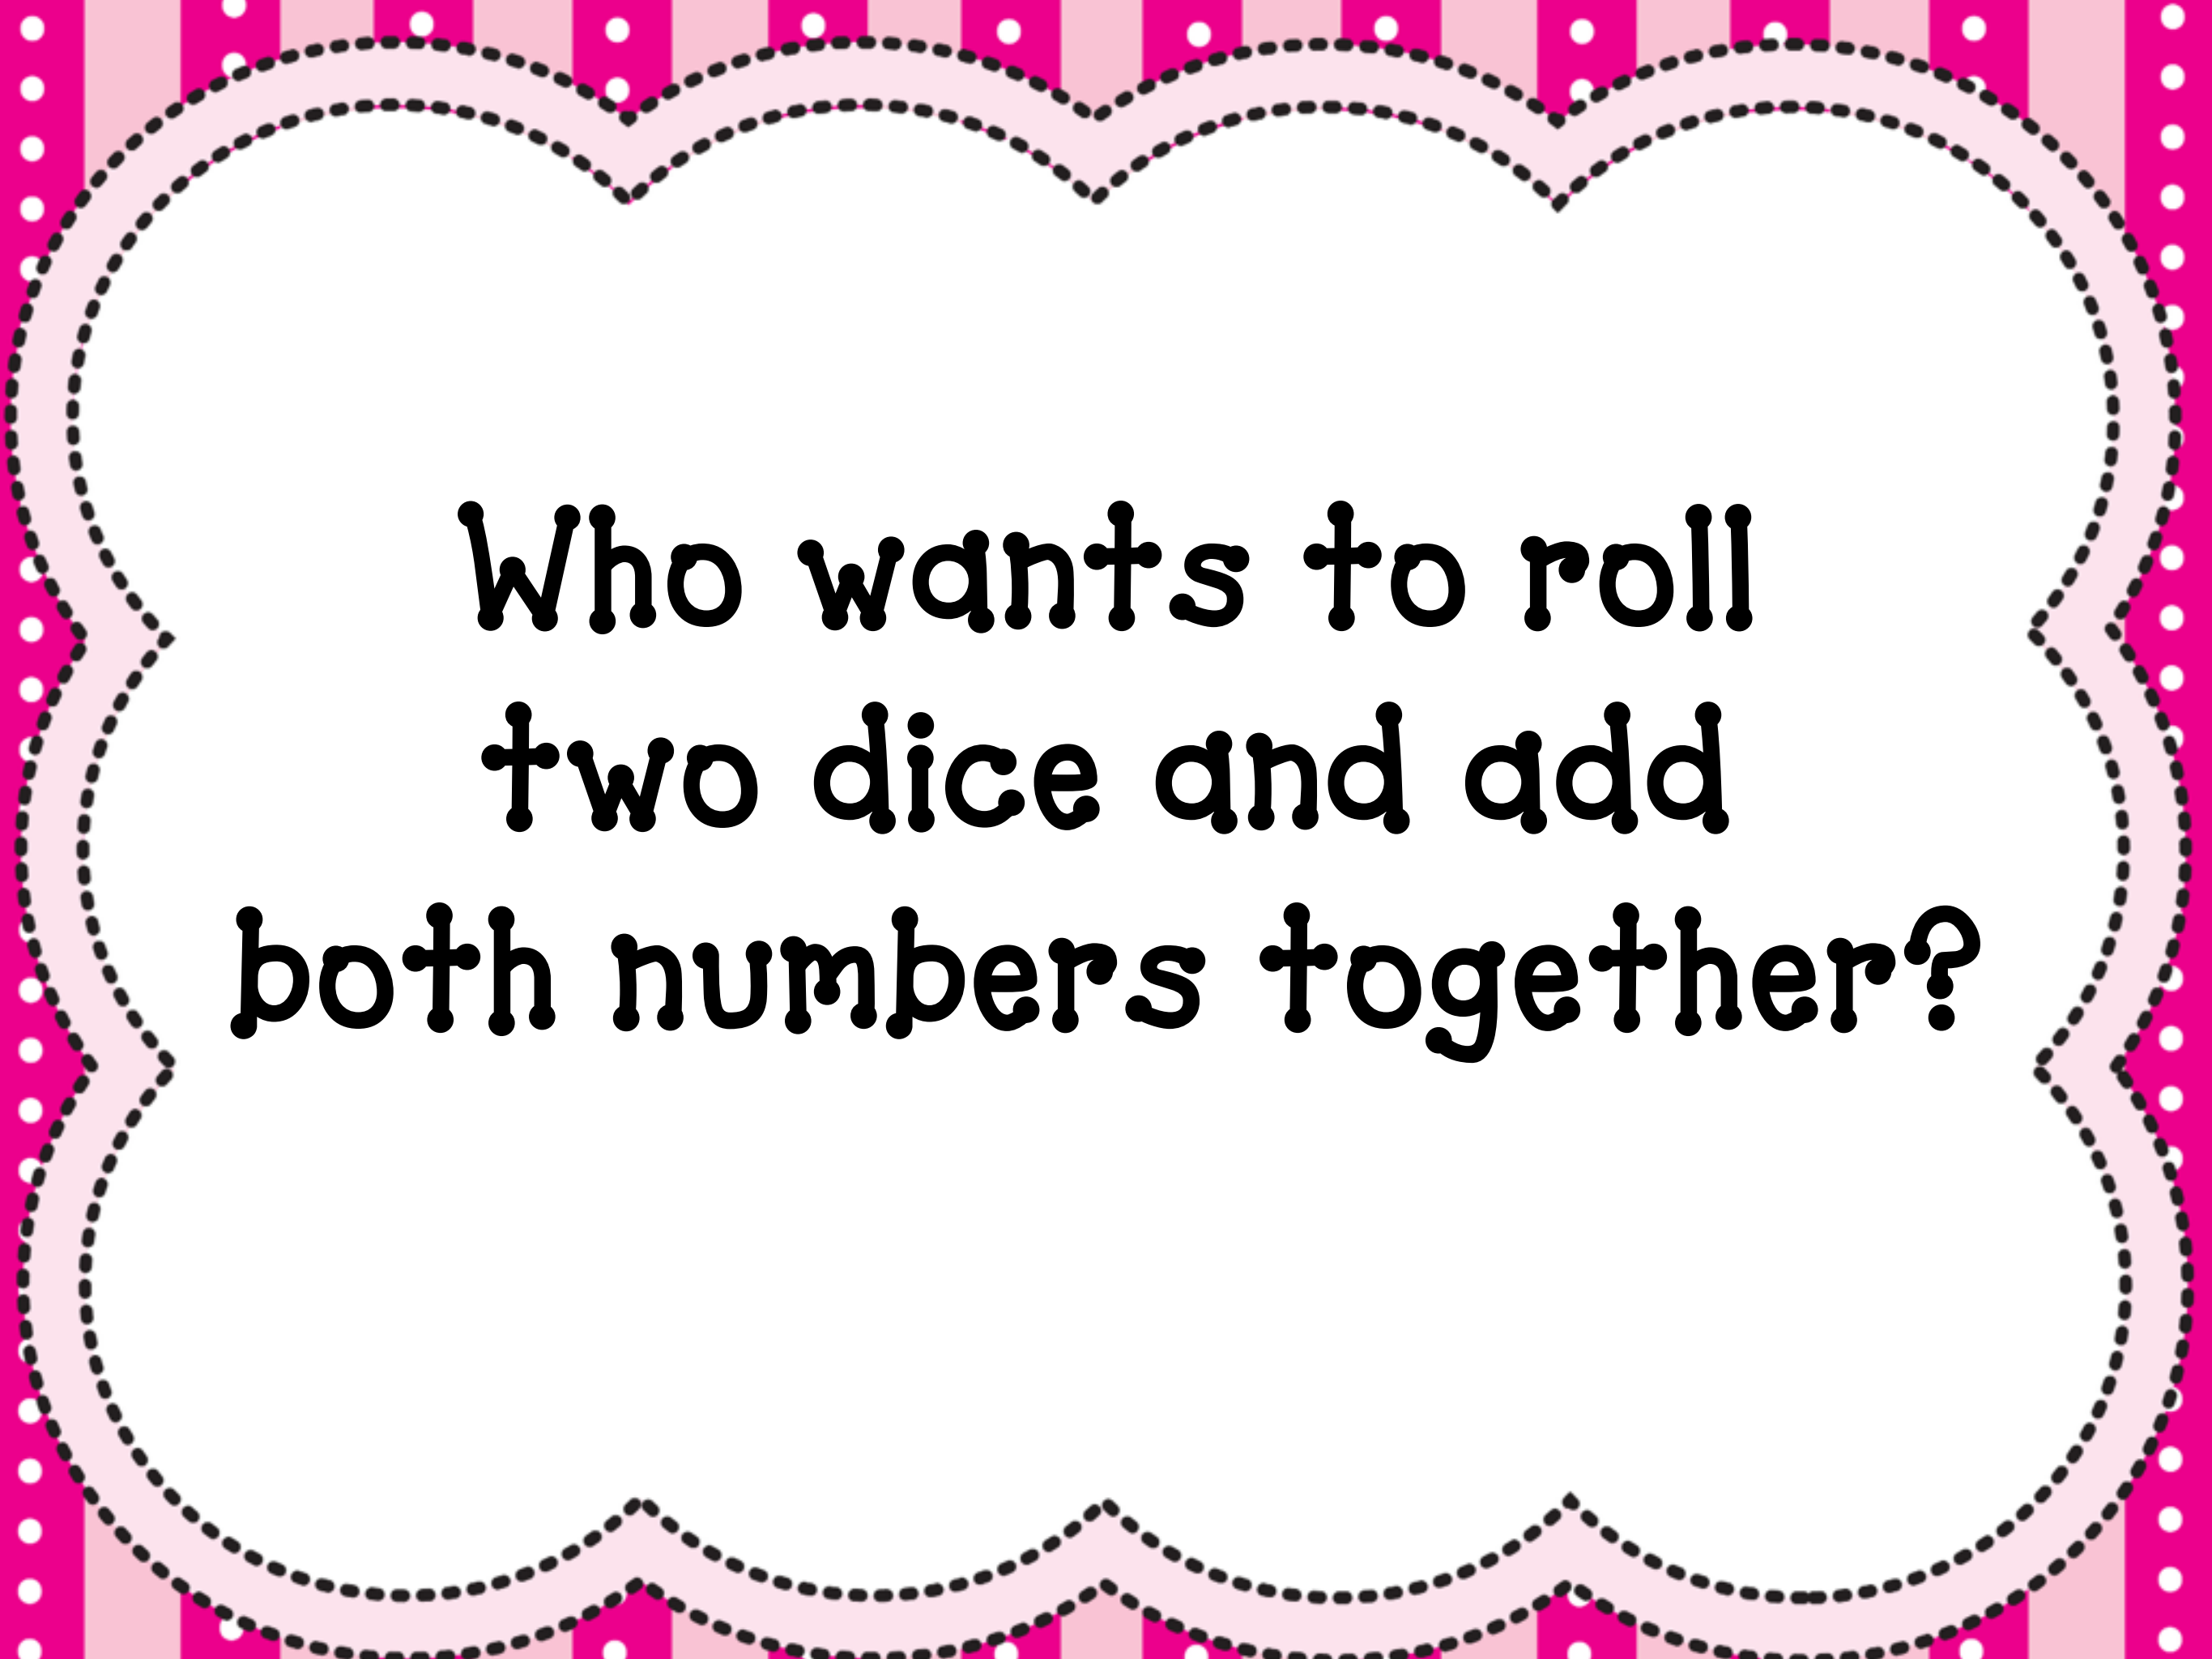

26

Who wants to select
a number on our
Growing Number Line?

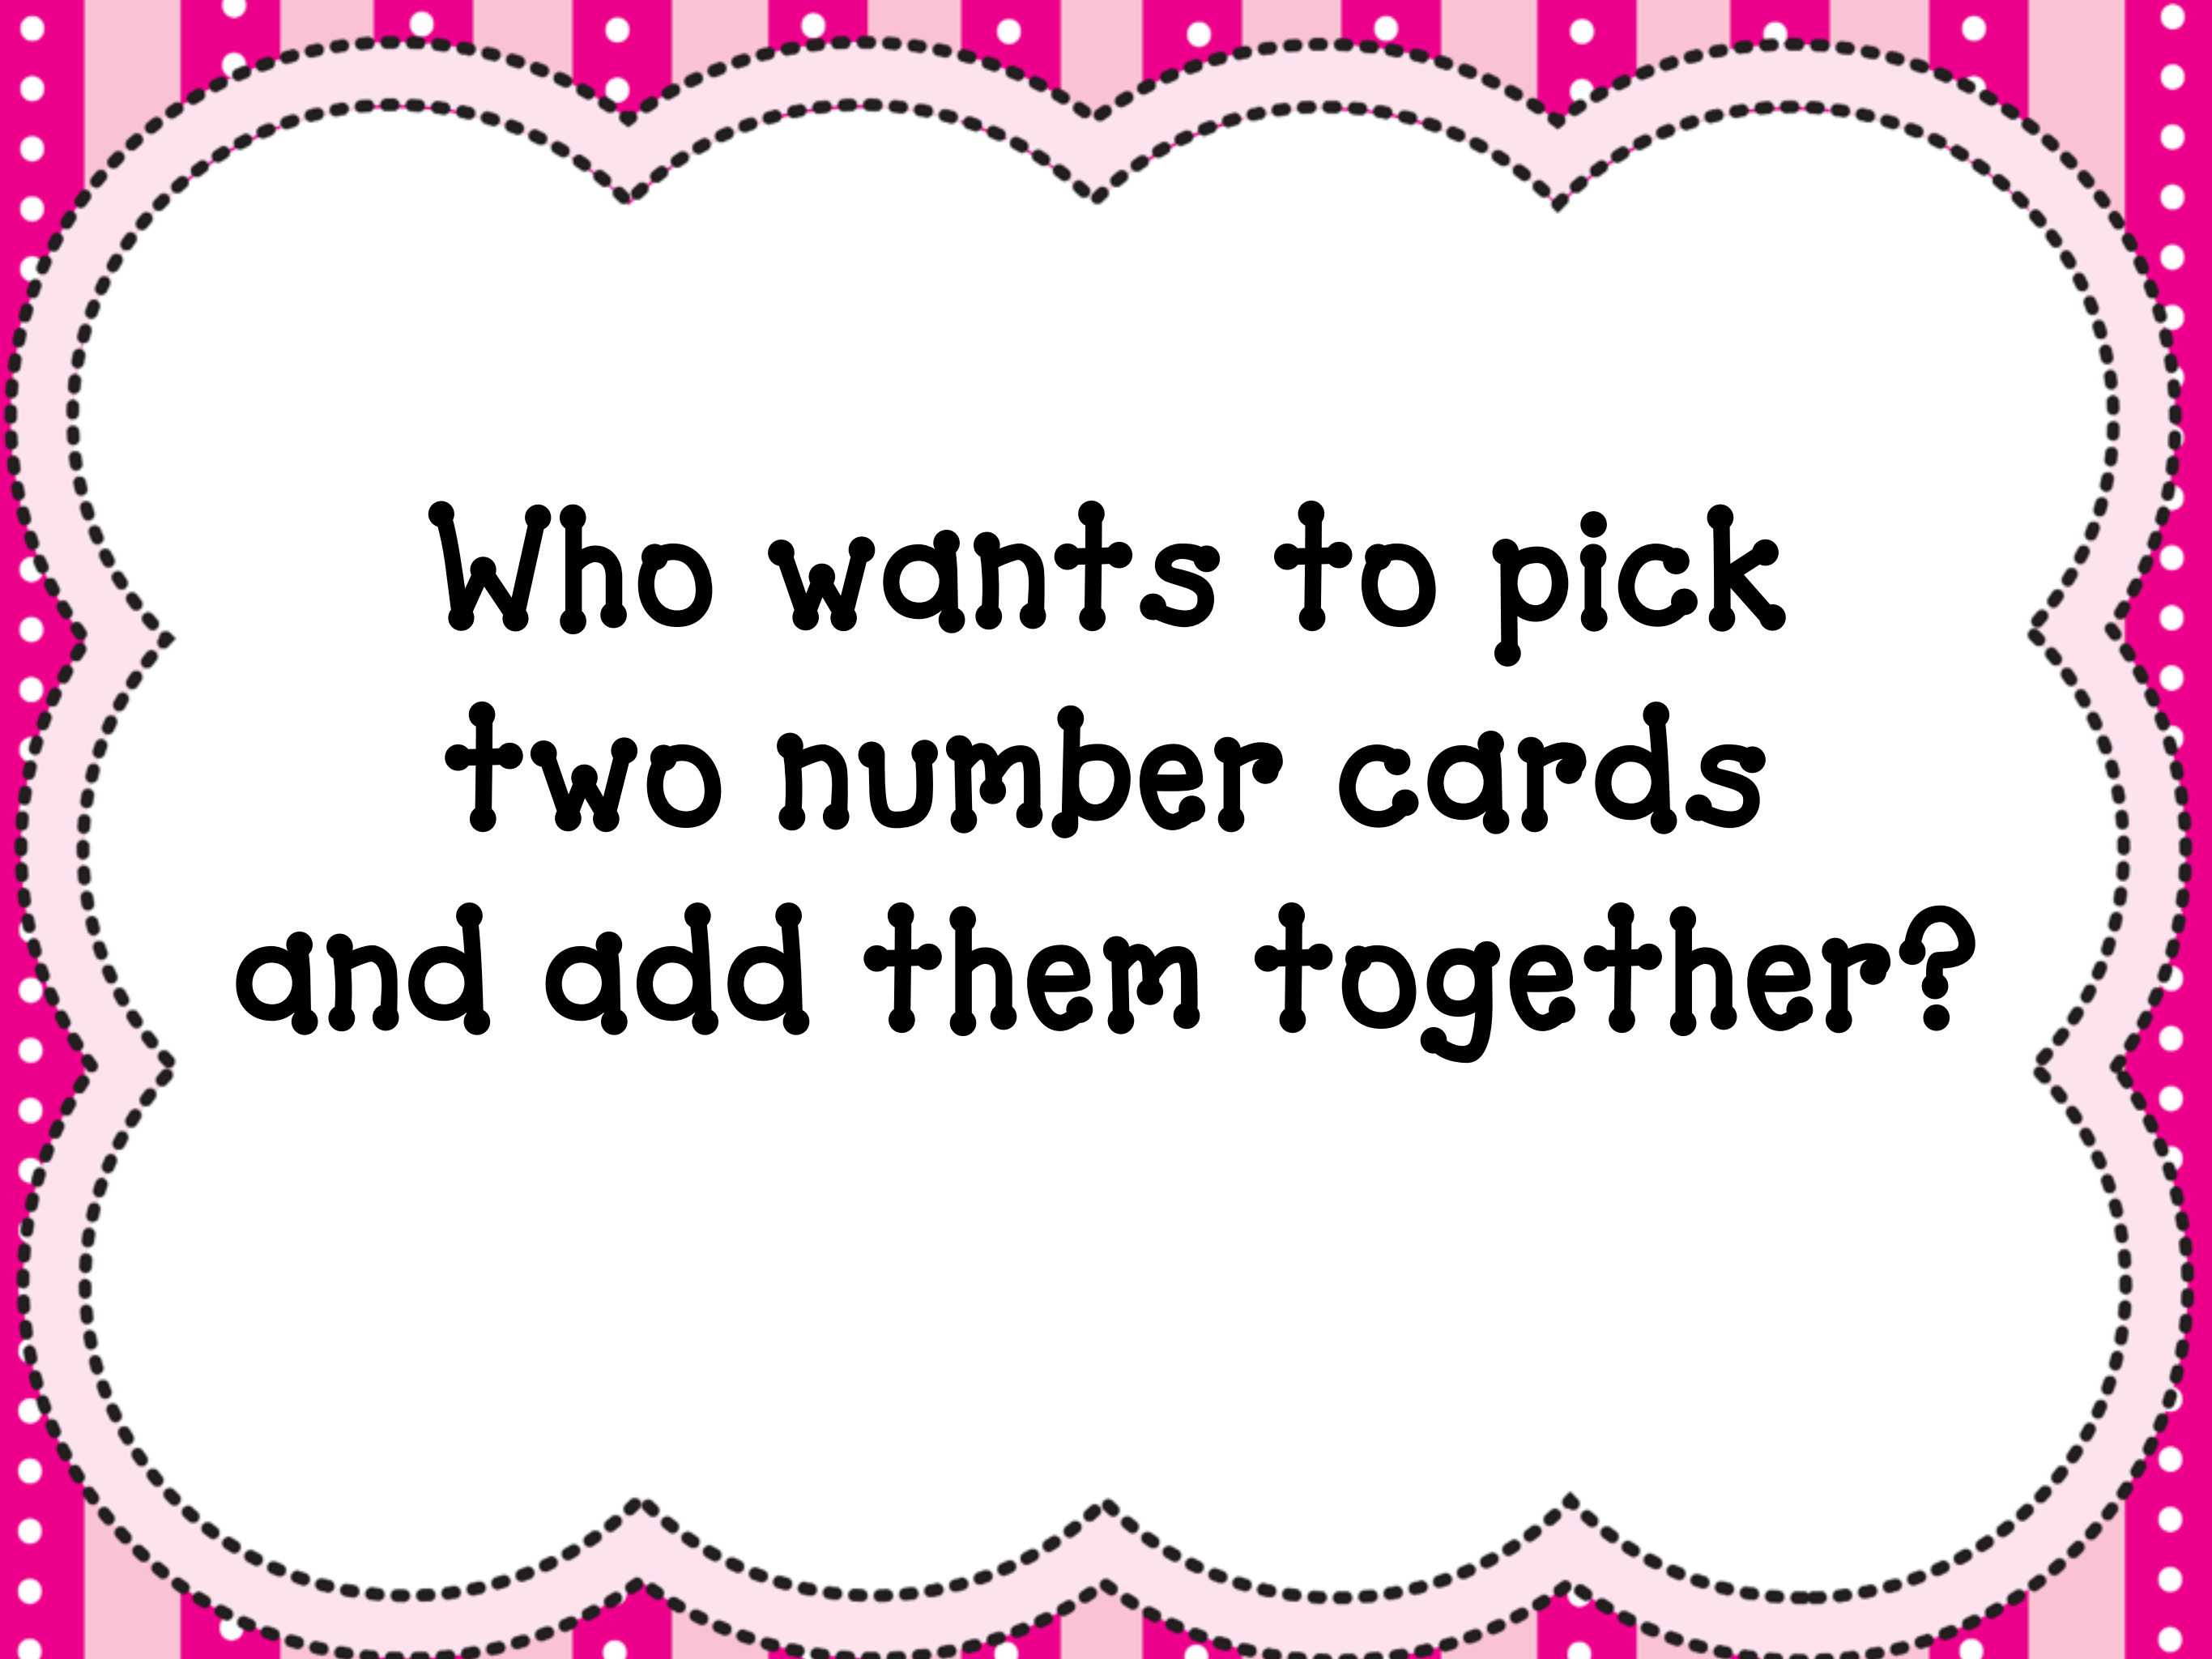

Let's count on from

Who wants to roll
two dice and add
both numbers together?

Let's count on from

Who wants to pick
two number cards
and add them together?

Let's count on from
