

# Meet the Calculator

by: Mrs. Nork

**What can you tell me  
about calculators?**

A calculator is a fast and  
fun way to work with  
numbers

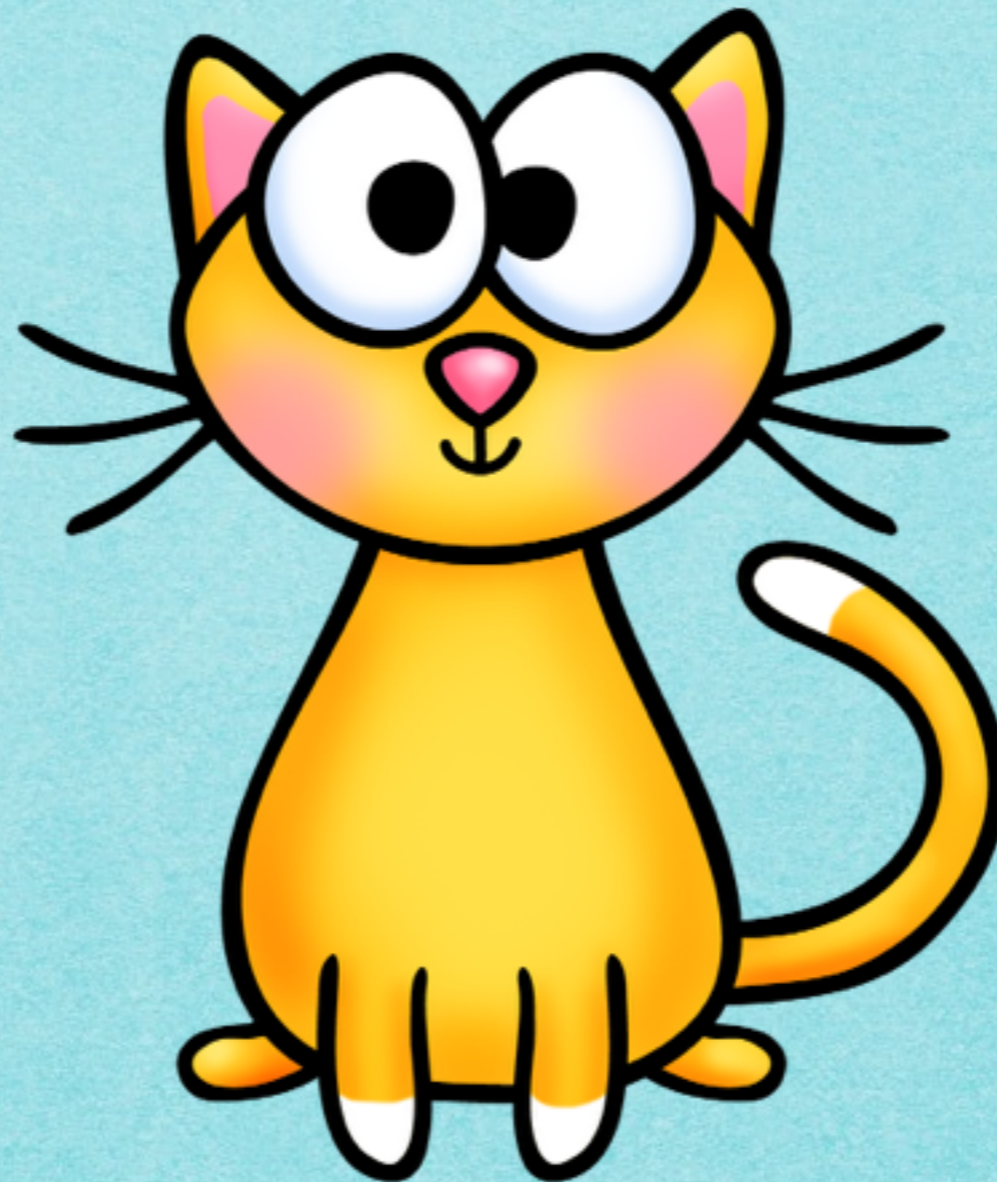

All calculators have a  
key that clears the  
display

on/c

**How many ears does  
a cat have?**

2

on/c

How many legs are on  
your chair?

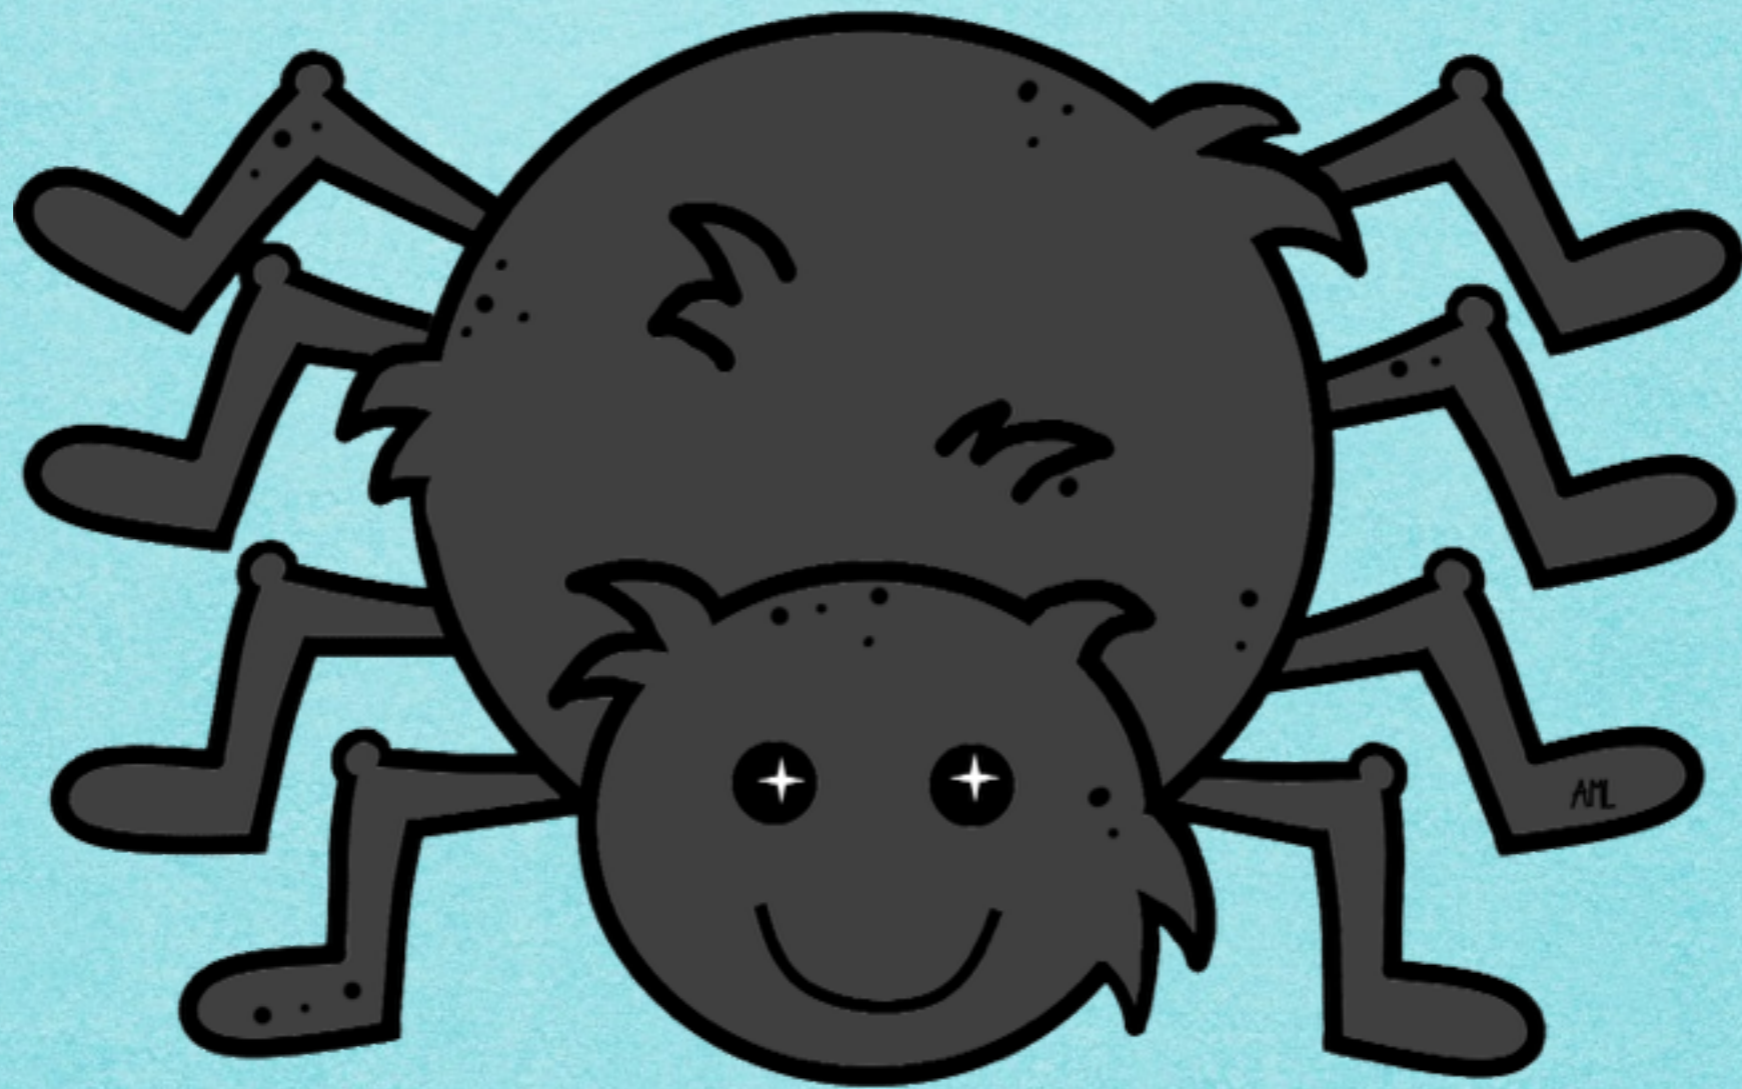

on/c

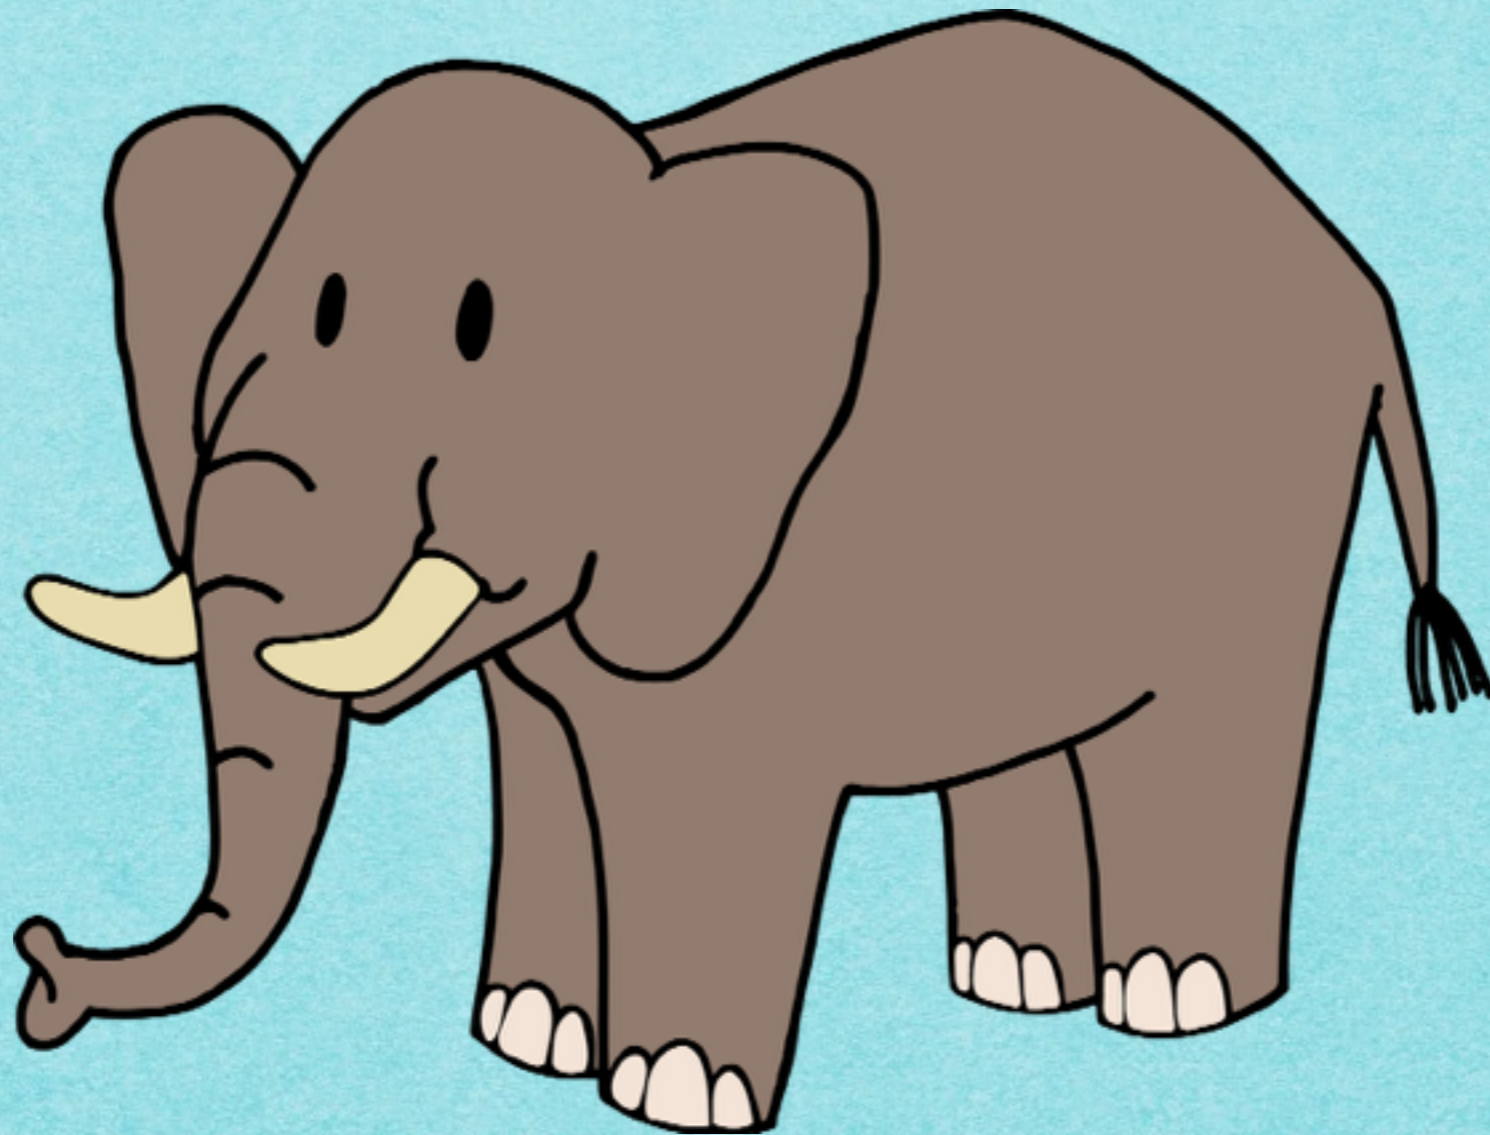

**How many legs does  
a spider have?**

8

on/c

How many trunks does  
an elephant have?

on/c

**How many wheels does  
a bike have?**

2

on/c

What is the number  
that comes after nine?

10
