

Meet the Calculator

by: Mrs. Nork

**What can you tell me
about calculators?**

A calculator is a fast and
fun way to work with
numbers

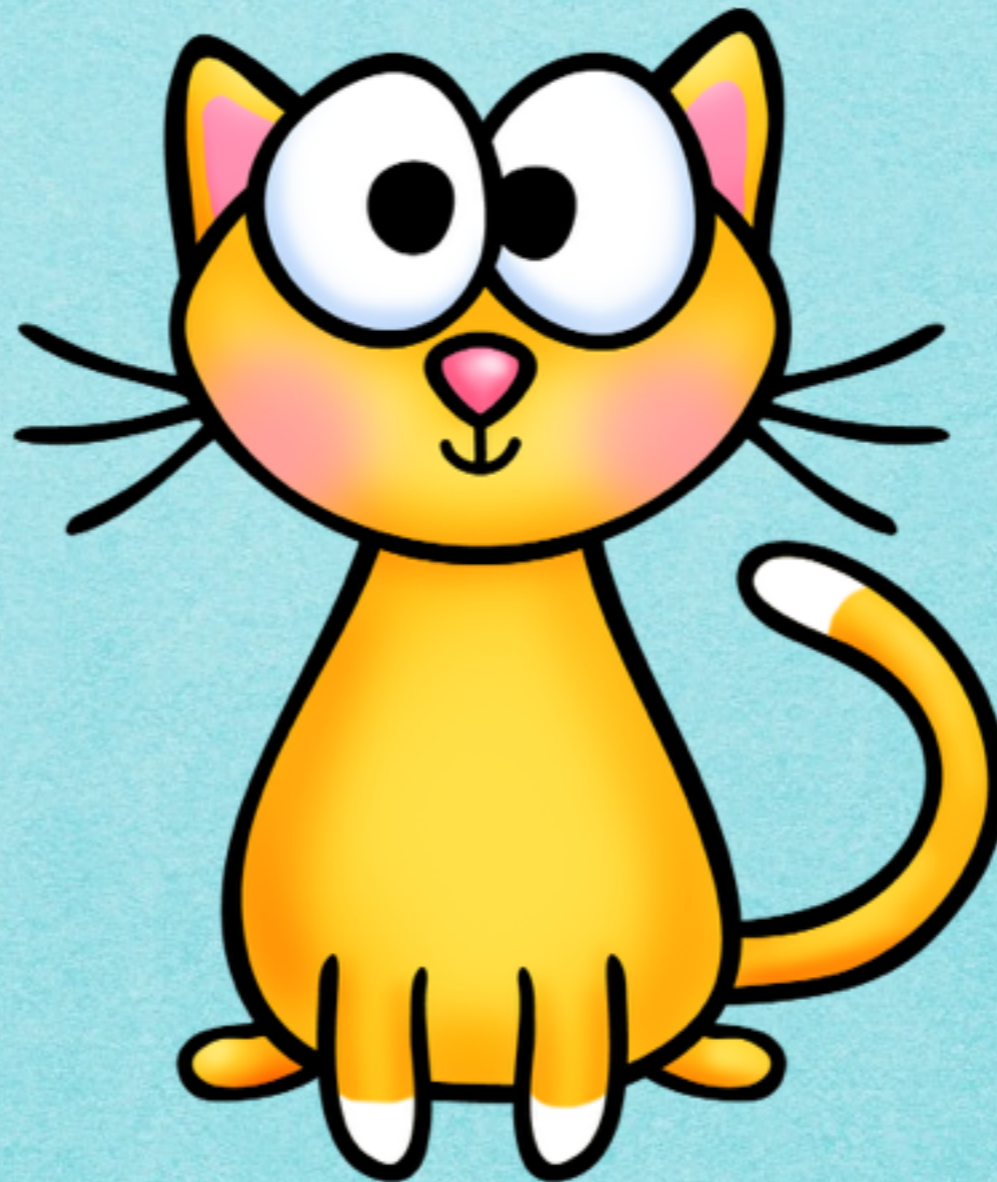

All calculators have a
key that clears the
display

on/c

**How many ears does
a cat have?**

2

on/c

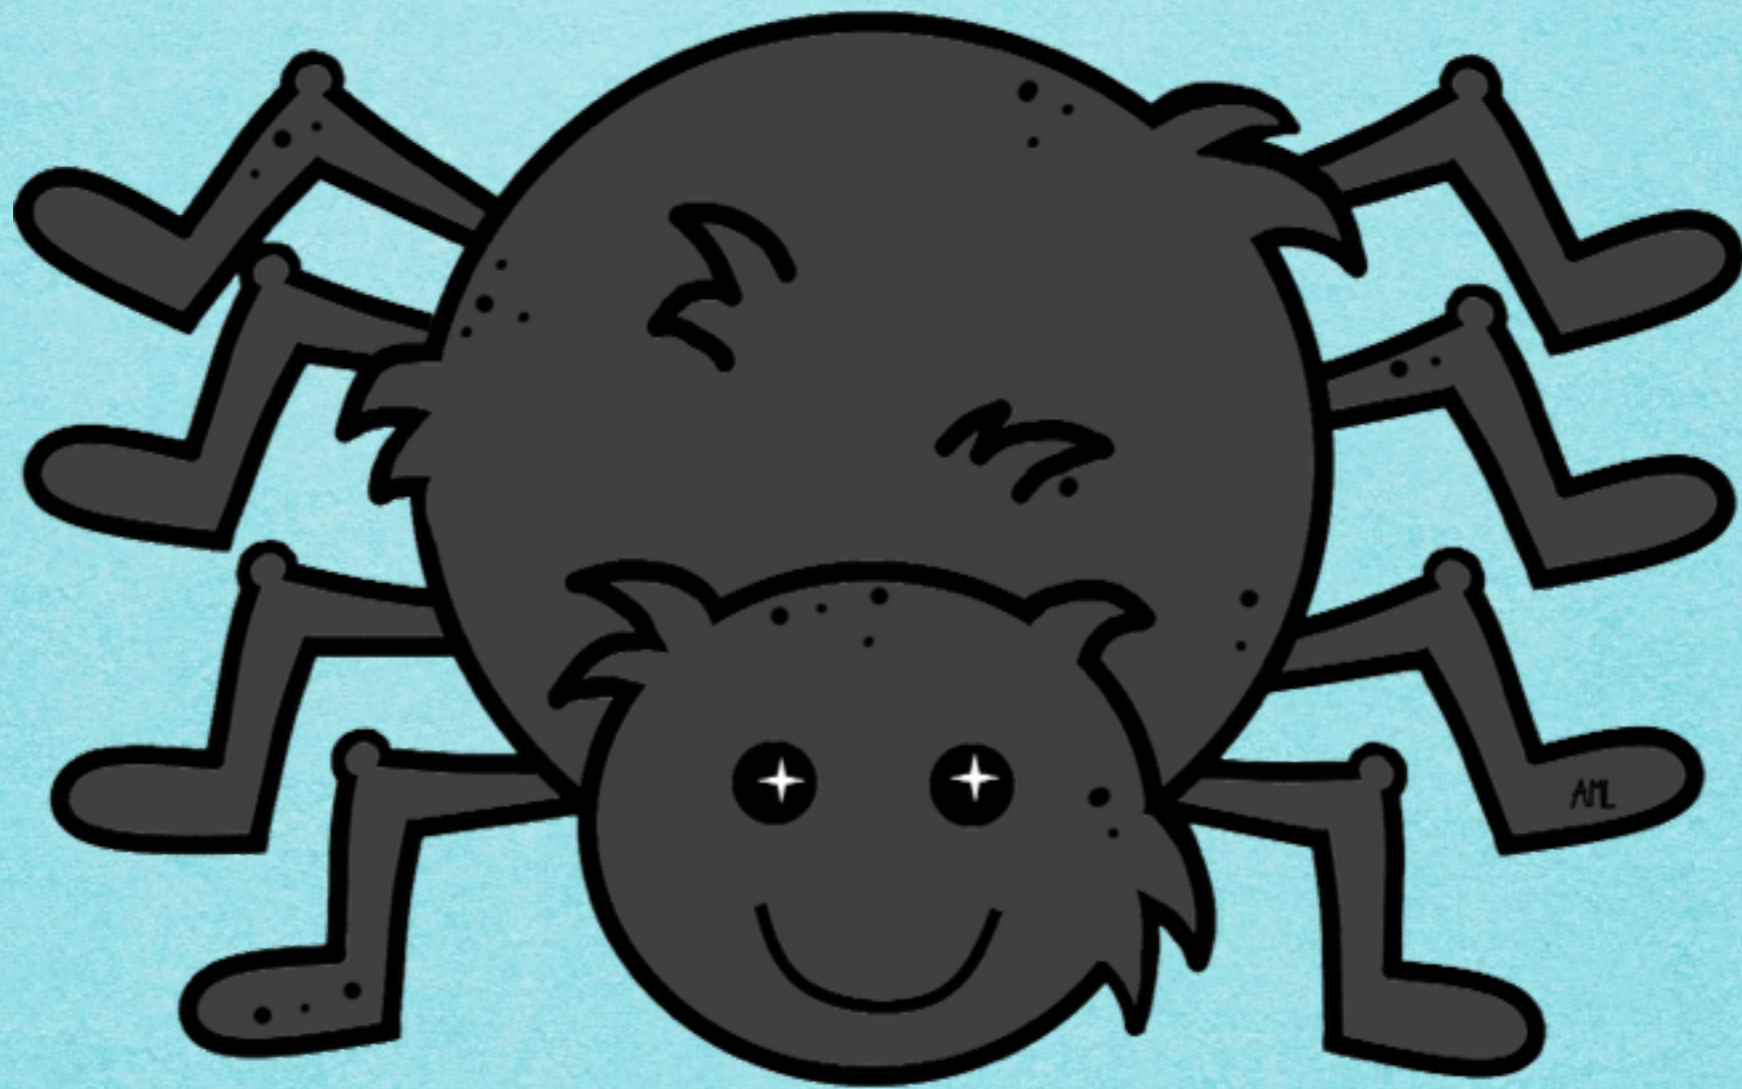

How many legs are on
your chair?

on/c

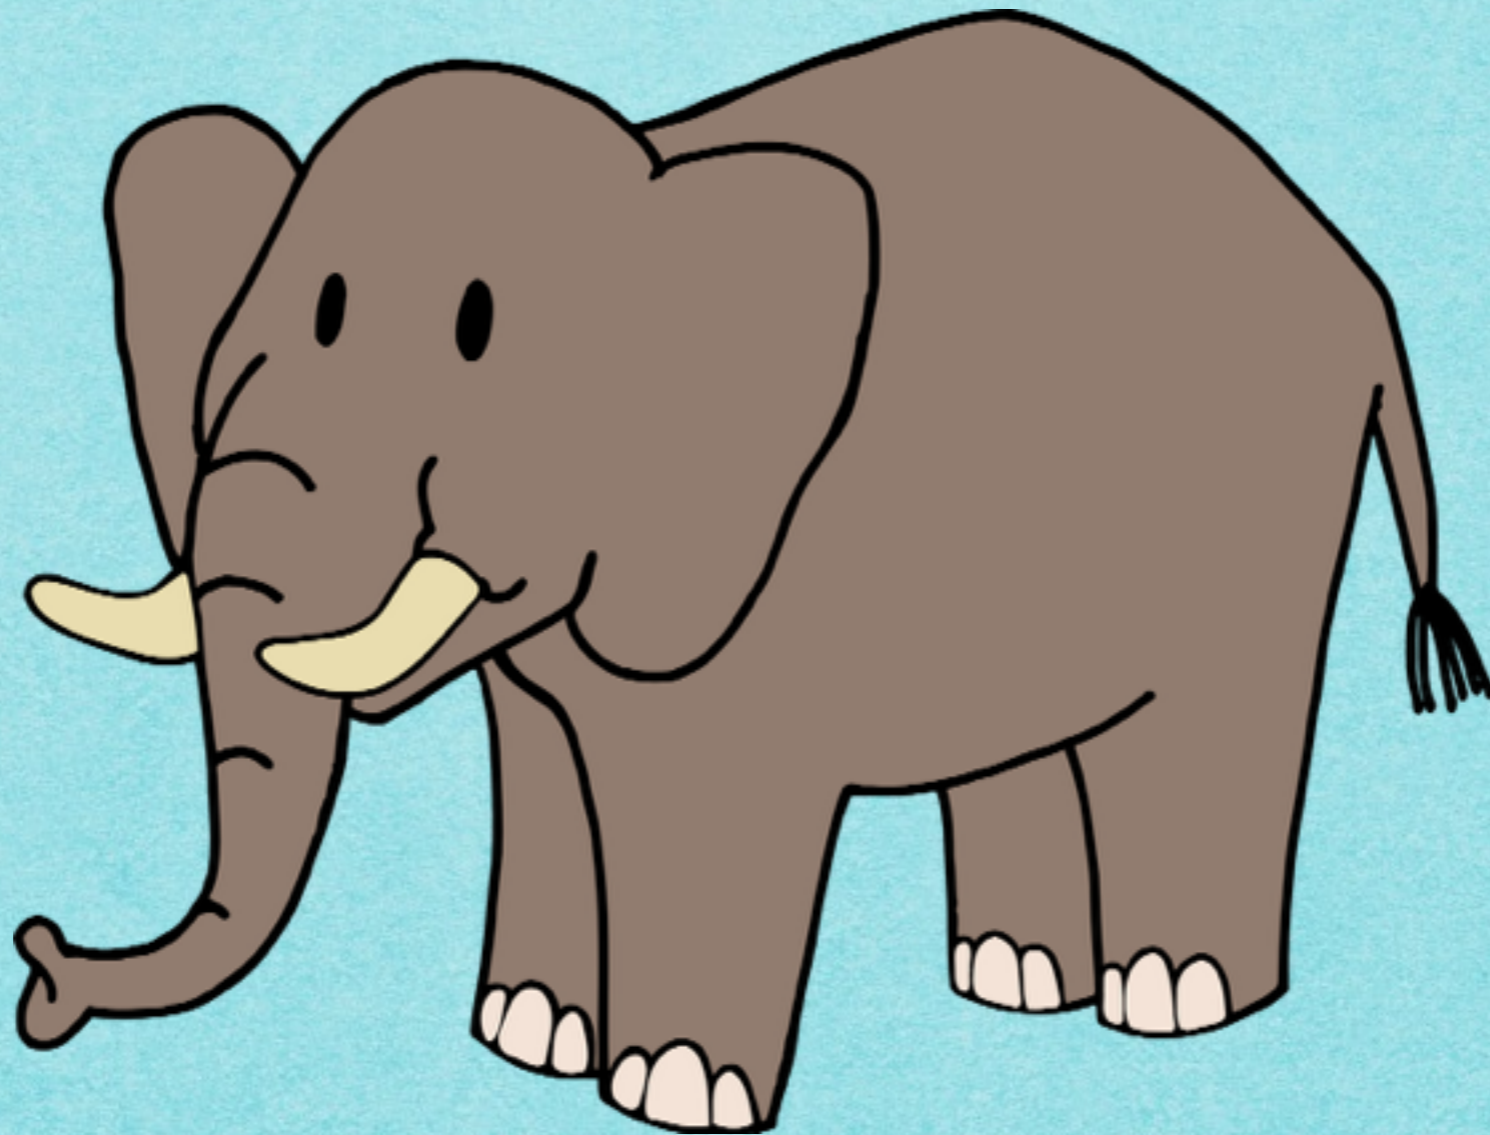

**How many legs does
a spider have?**

8

on/c

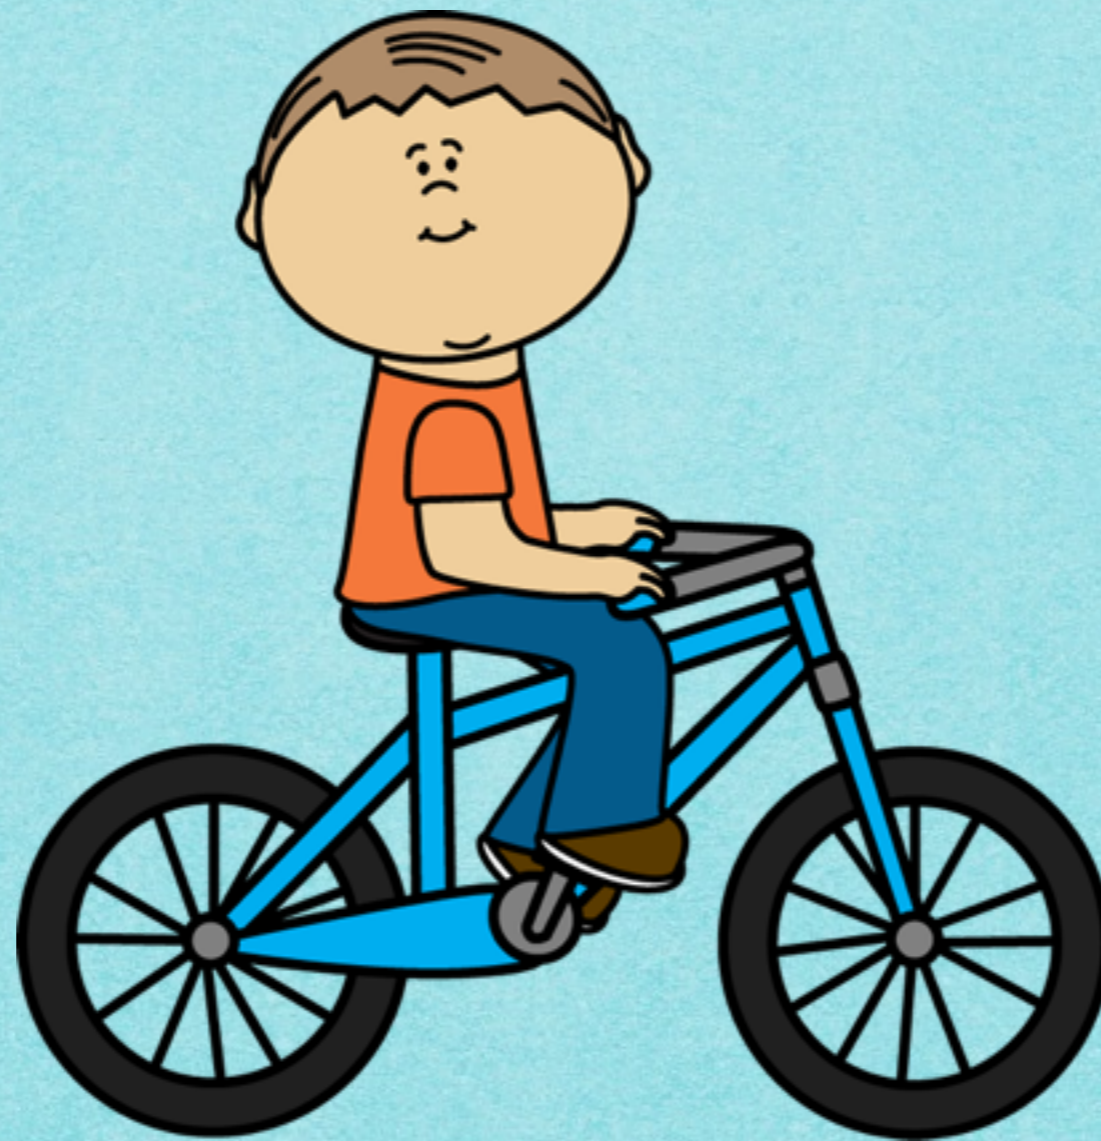

How many trunks does
an elephant have?

on/c

**How many wheels does
a bike have?**

2

on/c

What is the number
that comes after nine?

10
