

OFFICIAL Letter from YOUR ELF

Dear Boys and Girls,

Yesterday I heard Mrs. Nork talk about a Mystery Walker. That got me thinking. I want to do something just like that with you all! Because I can't watch you in the hallway (that's Mrs. Nork's job), I am going to

watch for a Mystery Student in the classroom. In the morning when you arrive, I will choose a student in my head to watch extra closely. If that student follows all of Mrs. Nork's directions and is kind and caring all day, the student will receive a note from me on their table the next morning. Not only will your parents learn that you were a fantastic listener in school, but you will also get to select a prize! I hope you like what I picked out for you! Good luck!
