

Where is the

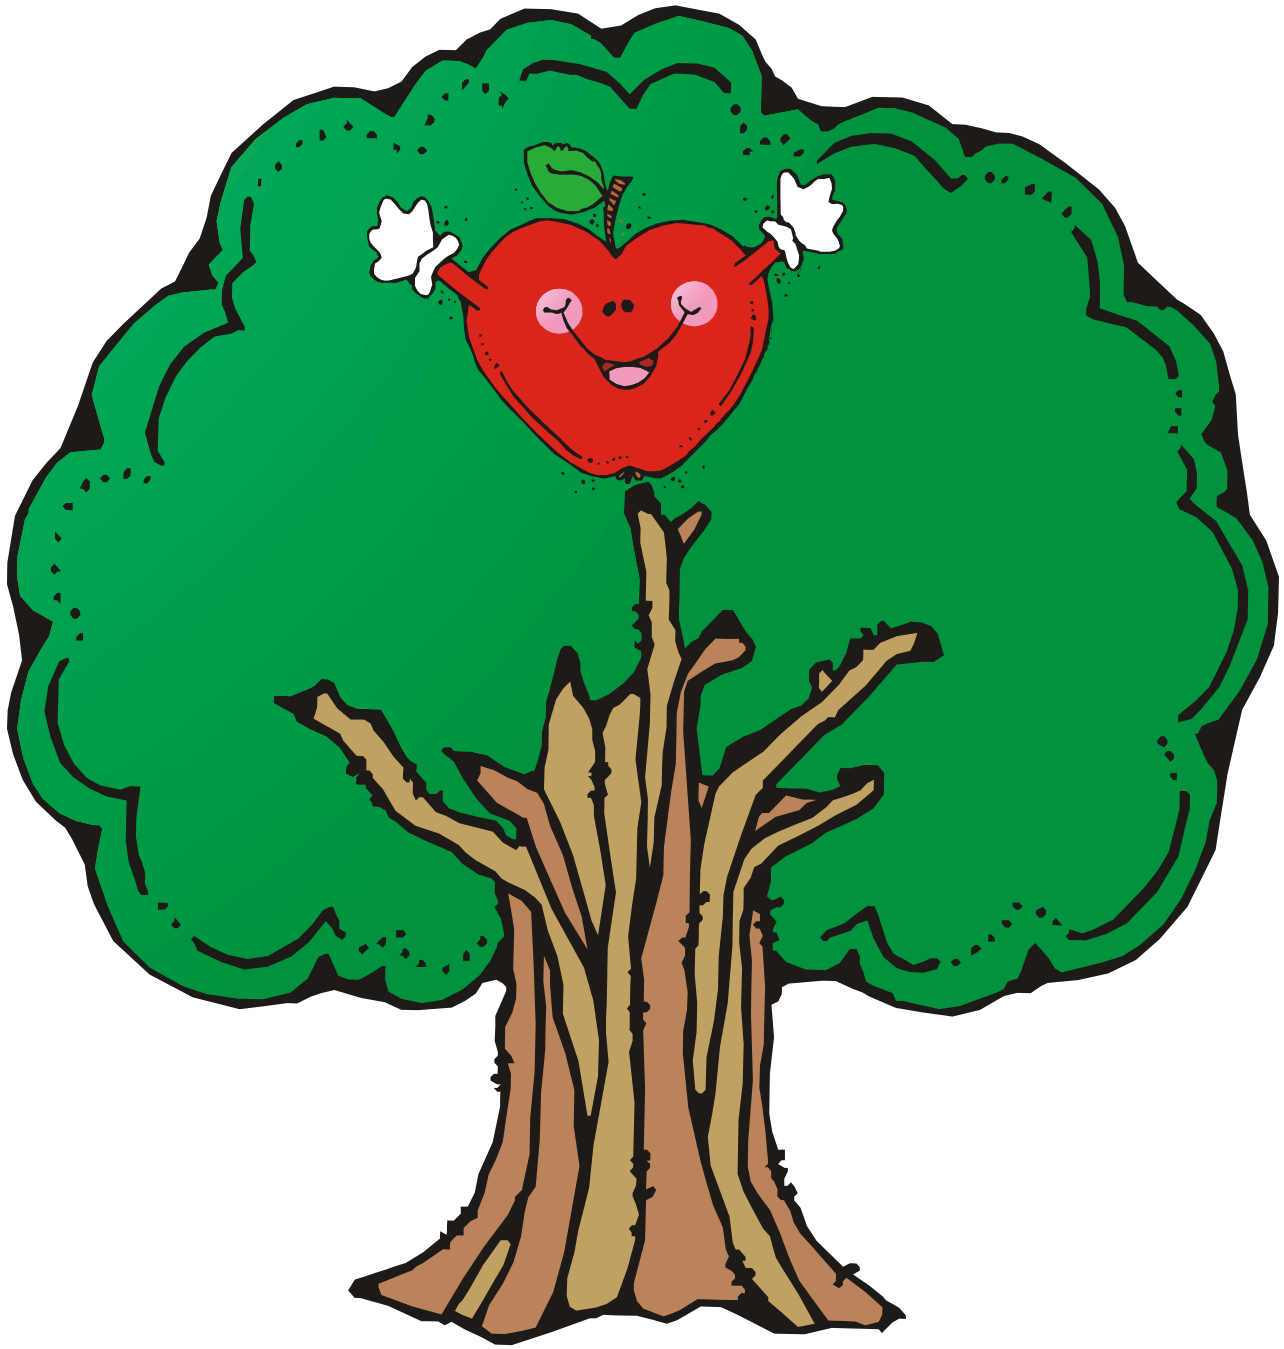

Apple?

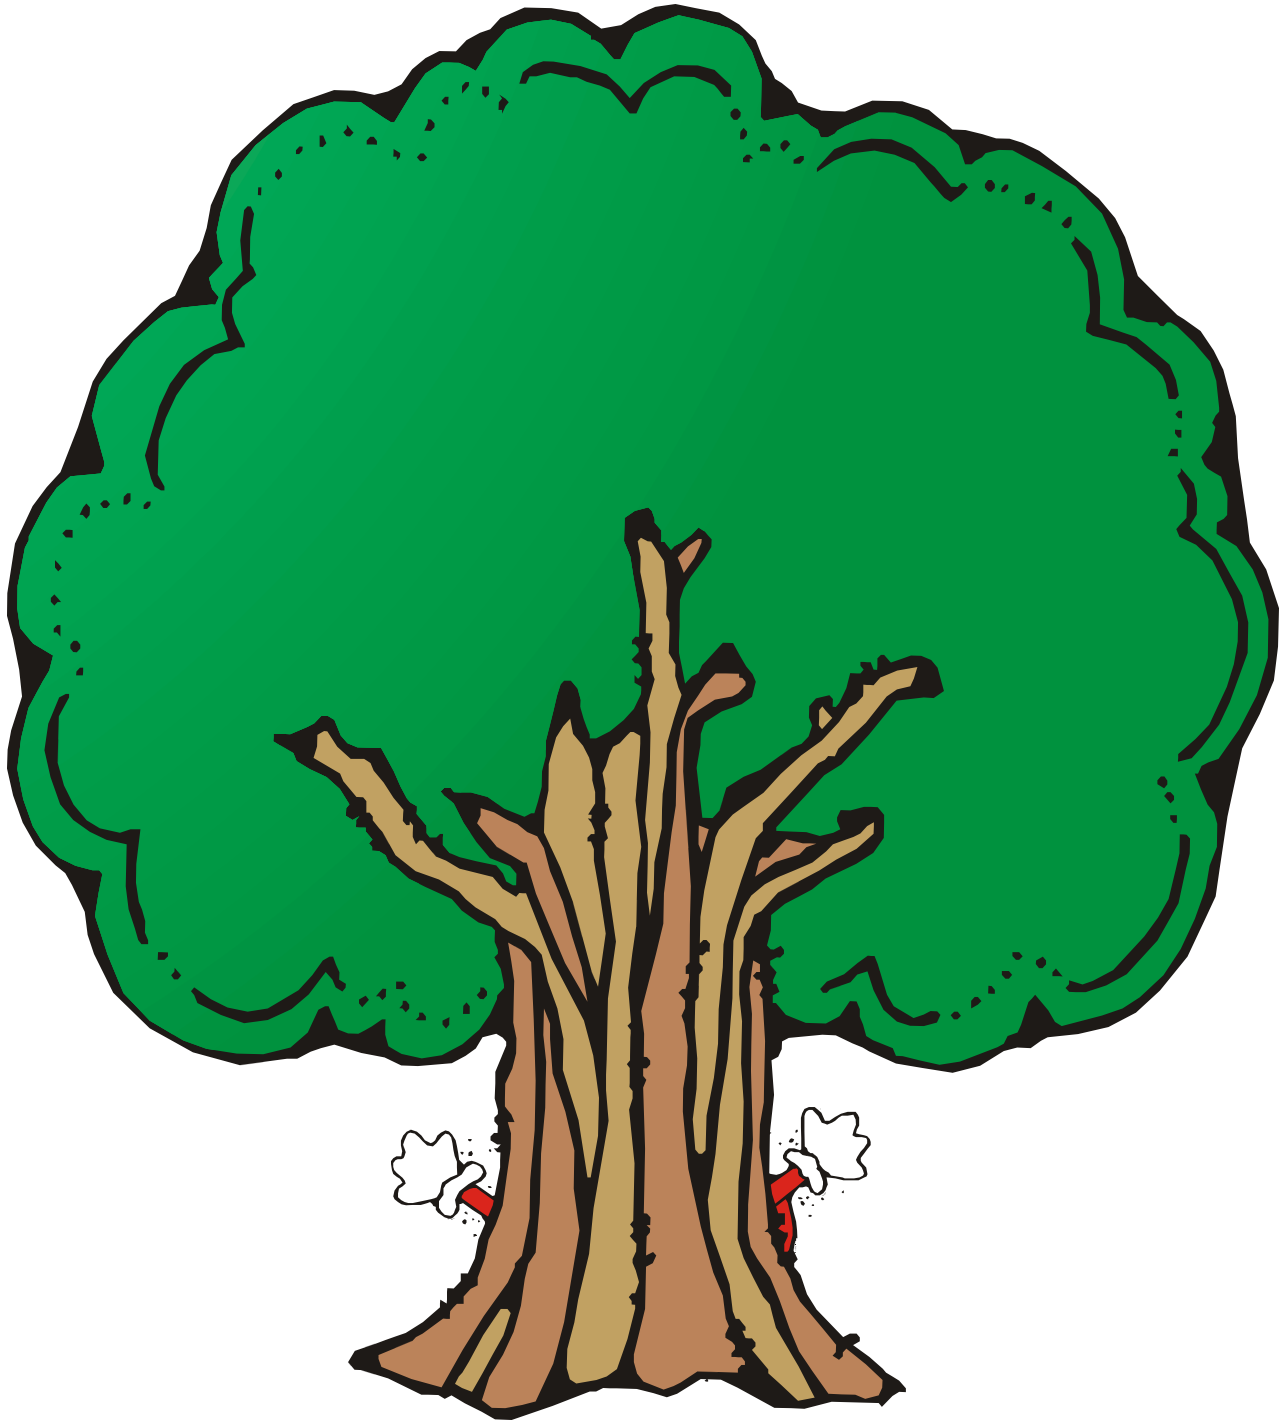

The apple is **between**
the trees.

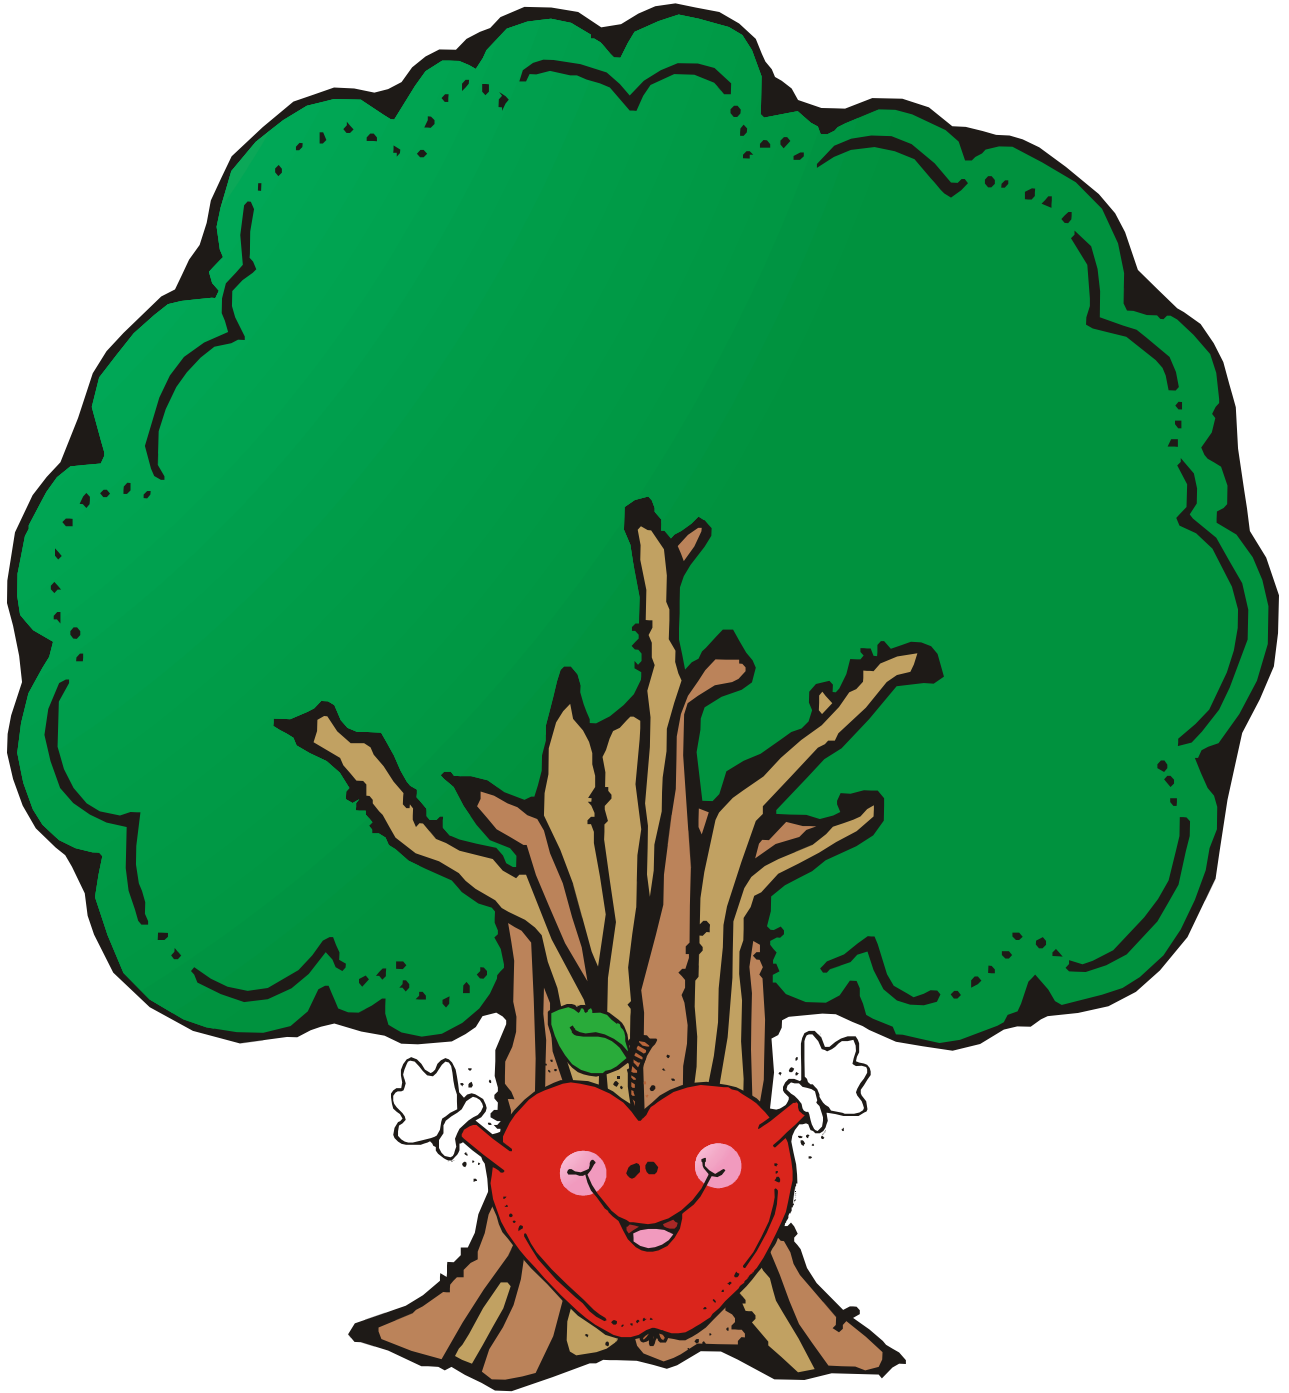

The apple is **beside**
the tree.

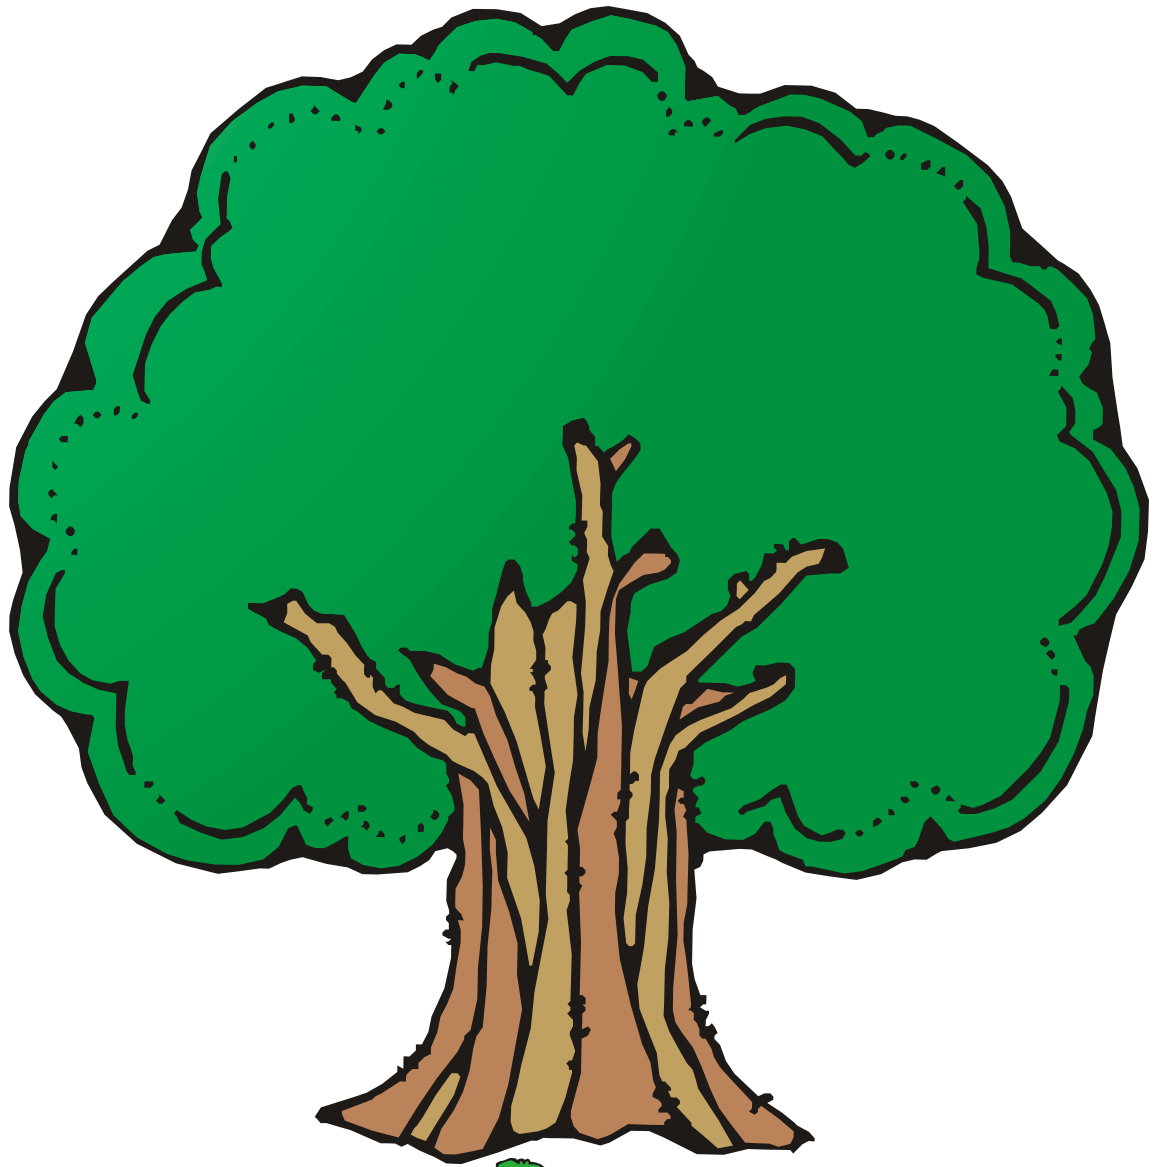

The apple is **in**
the tree.

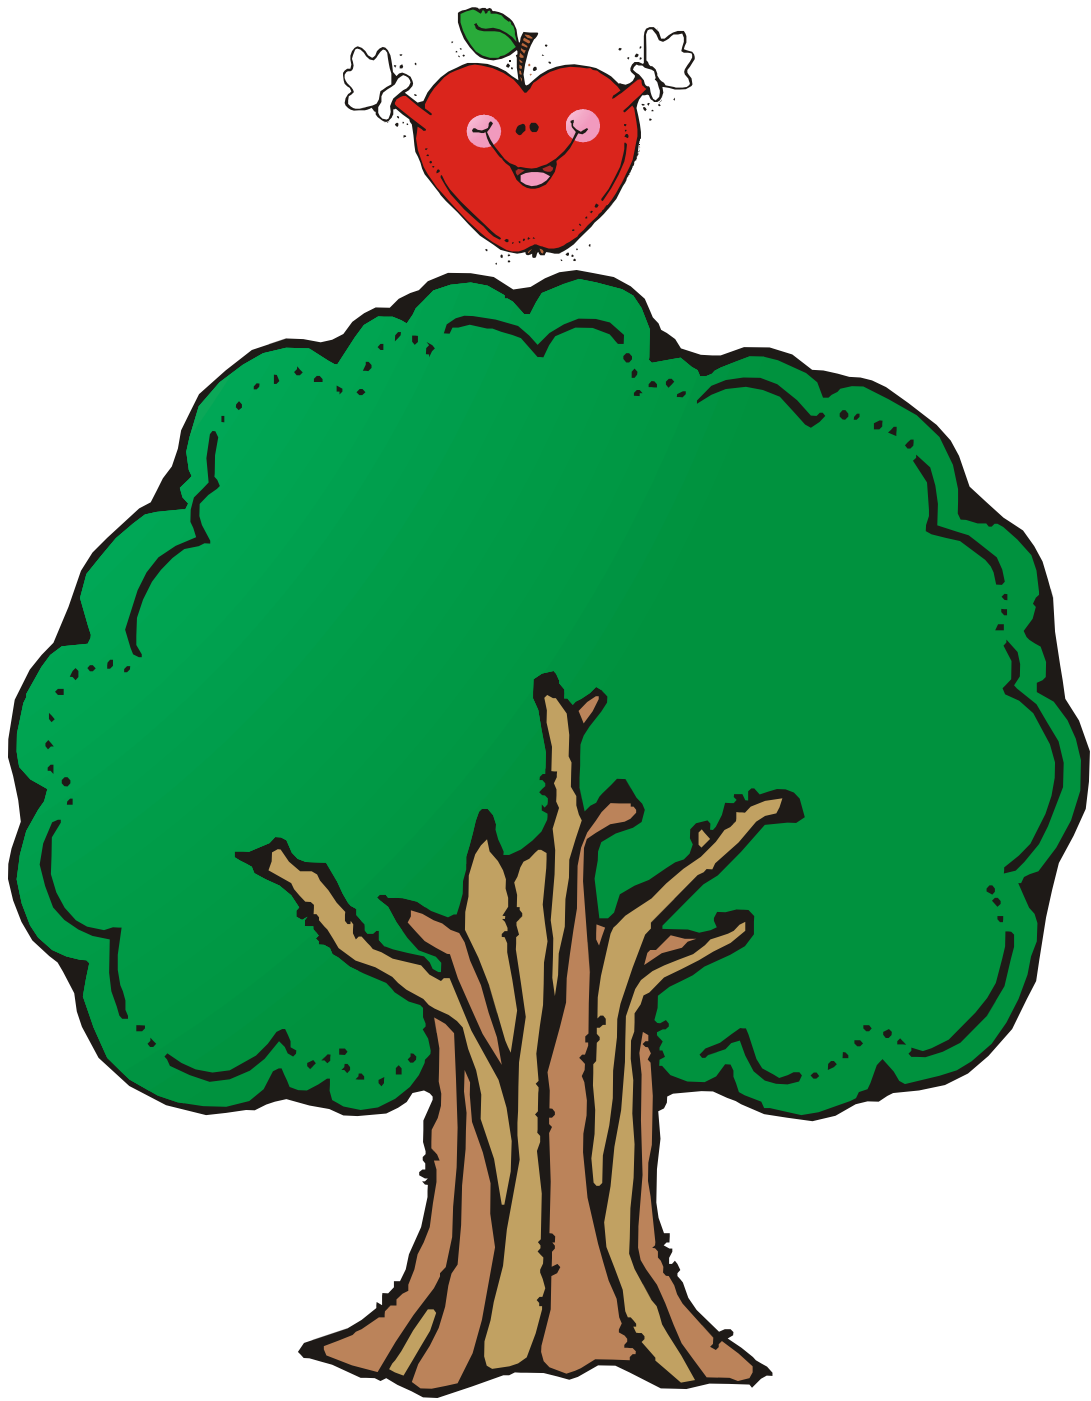

The apple is **behind**
the tree.

The apple is **in front**
of the tree.

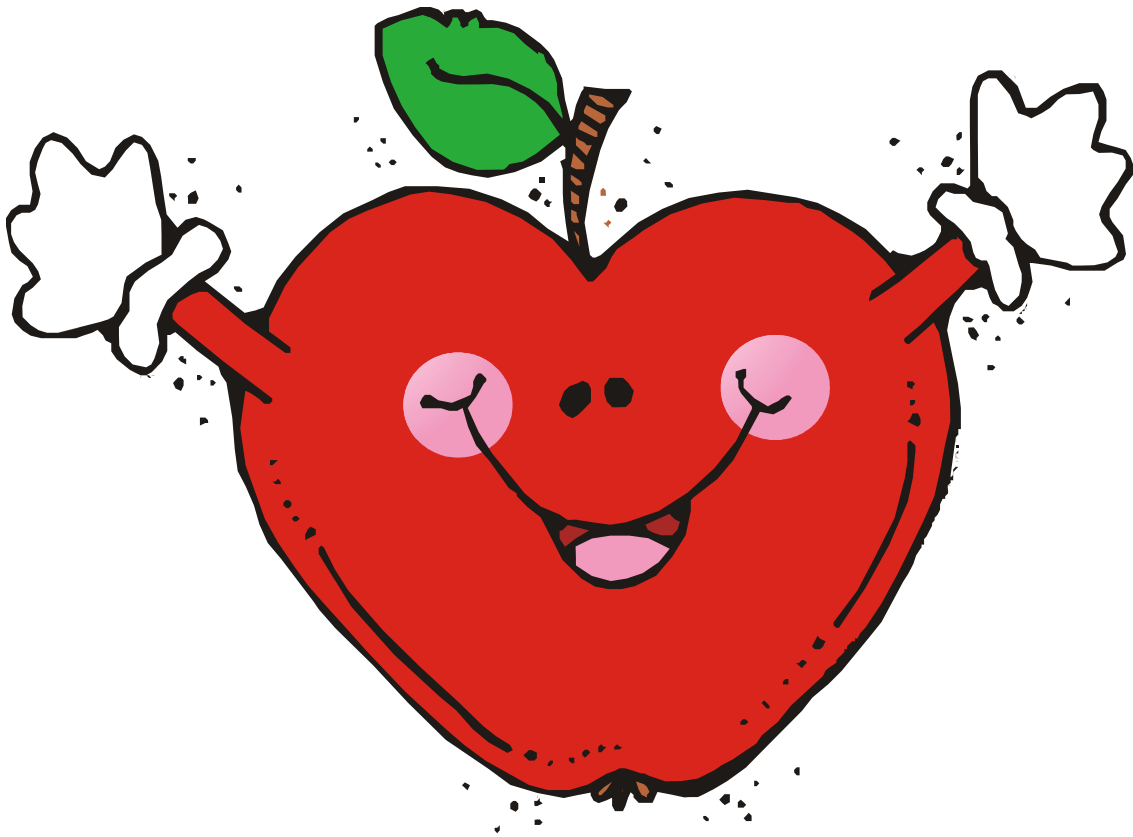

The apple is **under**
the tree.

The apple is **over**
the tree.

Now we know
where the apple is.

The End

Thank you for purchasing
Santa Claus Numbers.
